Vocabulary is becoming increasingly important for the 11 Plus, and it helps to devote sufficient time to it, as it takes a long time to build an effective vocabulary. This book contains over 500 Essentials words that appear frequently in the 11 Plus, and uses some of the following techniques to help you remember these words faster and better! - Word Roots; Since many English words are derived from Greek & Latin roots, it makes sense to be aware of these. Knowing a single root can help you know a whole group of words! - Prefixes/Suffixes; Pay attention to the tone of the words, whether soft or hard, harsh or mild, negative or positive. This could help you guess when in doubt. Prefixes/Suffixes can often help you with identifying the meaning of a word, when in doubt. - Usage of the Word; Perhaps the Best way to increase your vocabulary is to read, read and read. There is absolutely no substitute for that! Reading helps you learn new words from the context in which they are used, thereby making it easy to remember the new words and more importantly, how and when it is used. This book provides you with multiple examples of how a word is used in different contexts. - Synonyms/Antonyms Being familiar with related words, increases the number and variety of your mental associations. This helps you retain the meaning of the word more easily. - Related Words In order to 'deeply' understand the meaning of a word, it is helpful to study related words at the same time. e.g. The word plenty connotes "sufficient for what is needed" while abundance means "more than what is needed ." - Pronunciations Each word has a pronunciation key that helps you say the word out correctly, thereby aiding retention. - Practice makes perfect! Finally, this book has over a thousand exercises to make sure that you remember the meanings of the newly learnt words 'forever'! Many ingenious methods, scientifically correct, have been devised to aid in the remembering of particular facts. These methods are based wholly on the principle

An understanding of advanced vocabulary is paramount for the CEM 11 Plus exam success. It is also becoming increasingly popular for many other forms of the 11+ exams. Synonyms and antonyms are a popular question type in these CEM-styled papers, and children need as much practice as possible. Geek School Tutoring's 11 Plus Vital Words Dictionary can help expand your child's vocabulary. It is a synonyms and antonyms dictionary containing words that are commonly used in the CEM-style 11 Plus papers, and others. Using the 11 Plus Vital Words Dictionary and its flashcards and crosswords, you can help your child build the all-necessary word bank they need for 11 Plus success. In the CEM-style 11 Plus papers, students need the knowledge to complete large sets of synonyms or antonyms in a short amount of time. Many students find these types of questions quite tricky because many of the words far exceed what they must know for Key Stage 2 alone. This 11 Plus Vital Words Dictionary contains lots of advanced words to enable students to improve their vocabulary and answer these vocabulary question types.
