A collection of studies composed for musicians who wish to extend themselves in improvisation, composition, sight reading and general musicianship skills. Each etude has a theoretical explanation, suggestions for performance and tips for practice routines. Two CDs of combo accompaniments performed by members of the Yellowjackets are included. All books are compatible and written so that they can be performed together.

Written for a wide variety of musicians, 15 Easy Jazz, Blues & Funk Etudes will appeal to both aspiring players and to more experienced musicians. For the younger player, particular care is given to range, rhythmic figures and overall playability. The more accomplished musician will appreciate the high level of musicality, the lyrical compositions and the opportunities to improvise. Either way, the format is simple: Bob Mintzer plays and demonstrates each etude with a stellar rhythm section on the included recording. You learn each etude slowly. When ready, you play the etude with the audio accompaniment.

For an aspiring jazz instrumentalist, playing piano is one of the most important skills for developing a jazz vocabulary. Bob Mintzer is a renowned jazz composer, arranger, saxophonist, pianist, bandleader, educator and member of the group, the Yellowjackets. His new book is designed for the instrumentalist who is not an accomplished piano player but wants to acquire basic jazz piano skills and jazz vocabulary. The book includes etudes that make players aware of the sound, texture, cause, effect and function of jazz chords and harmony. The 22 piano etudes feature a variety of styles, tempos, chord progressions and a the book also includes a chord voicing glossary. Mintzer offers a practical guide with a realistic approach.

10 Easy Jazz Duets, written by John La Porta with Greg Nielsen, contains jazz duets in a variety of styles. This unique book is compatible for performance with all instruments and is published with a CD of hip rhythm section backgrounds. In addition, the duets can be performed with a live rhythm section using the chord symbols provided in the C and Bass Clef editions. Not only is the book great for individual jazz practice for improvisation, articulation and phrasing, but it provides interaction with another musician or group with no limitation on the instrumentation. The duets are also very useful to the educator who may find it difficult to get a full band together.
