Jean Echenoz, Prix Goncourt prize winner for *I'm Gone*, writes precise, short, and well-crafted novels and *1914* is no exception. He can tell a compelling, important story in a very short amount of space using spare, beautiful prose. This is especially well suited to *1914*.

Jean Echenoz's 1914 is a novel about the First World War, and it covers the years 1914 through 1918; as French reviewers have noted, the French title -- 14 -- slyly alludes not only to the opening year of the war, but also to the fact that the book is Echenoz's fourteenth work of fiction.
