Toyota's legendary FJ40, the rugged off-road two-door Landcruiser introduced in 1960, sold more than one million models in its lifetime--and is still in service in the roughest parts of the world, nearly a quarter of a century after the last one rolled off the assembly line. As Toyota prepares to roll out its new version of this classic, this book offers a close-up, behind-the-scenes look at the development and production of the new FJ Cruiser, a retro 4x4 that combines its famous predecessor's unparalleled style with solid off-road capabilities and all the convenience and comfort that today's technology offers. With interviews from the designers, engineers, and executives involved in making the FJ Cruiser, as well as more than 150 photos of the new vehicle and details on the 4x4's specifications, this book puts readers into the driver's seat of Toyota's next classic Cruiser.

From award-winning musician and composer Warren Ellis comes the unexpected and inspiring story of a piece of chewing gum. Featuring an introduction from Nick Cave. 'Warren has turned this memento, snatched from his idol's piano in a moment of rapture, into a genuine religious artefact.' NICK CAVE 'In praise of meaning-rich relics and magical things. Totally heartwarming project.' MAX PORTER 'A unique study of a fan's devotion, of transcendence and of the artistic vocation - it's got depth and great warmth. It's a beautiful piece of work.' KEVIN BARRY On Thursday 1 July, 1999, Dr Nina Simone gave a rare performance as part of Nick Cave's Meltdown Festival. After the show, in a state of awe, Warren Ellis crept onto the stage, took Dr Simone's piece of chewed gum from the piano, wrapped it in her stage towel and put it in a Tower Records bag. The gum remained with him for twenty years; a sacred totem, his creative muse, growing in significance with every passing year. In 2019, Cave - his collaborator and great friend - asked Warren if there was anything he could contribute to display in his Stranger Than Kindness exhibition. Warren realised the time had come to release the gum. Together they agreed it should be housed in a glass case like a holy relic. Worrying the gum would be damaged or lost, Warren decided to first have it cast in silver and gold, sparking a chain of events that no one could have predicted, one that would take him back to his childhood and his relationship to found objects. Nina Simone's Gum is about how something so small can form beautiful connections between people. It is a story about the meaning we place on things, on experiences, and how they become imbued with spirituality. It is a celebration of artistic process, friendship, understanding and love.

Chanakya, who lived in India in the 4th Century BC, was a leadership guru par excellence. The treasure of his teachings can be found in his book, The Arthashastra, which deals with good governance based on ideal leadership. The concept of the ideal nation in The Arthashastra, called Saptanga, holds that there are seven pillars of a kingdom: Swami, Amatya, Janpada, Durg, Kosha, Dand, Mitra iti Prakritya. For centuries, Indian rulers have used this concept as a model of successful government. In this path-breaking book, Chanakya ' s 7 Secrets of Leadership, author Radhakrishnan Pillai delves into Chanakya ' s Saptanga with the real-life example of D. Sivanandhan. Former Director General of Police, Maharashtra, and the archetype of an able administrator, Sivanandhan shares his guidelines for effective management, highlighting those that make him a dynamic leader. In Chanakya ' s 7 Secrets of Leadership, theory meets practice, academic research meets vast experience in police supervision and an age-old formula is revealed in a modern-day success story. Together, Pillai and Sivanandhan bring Chanakya ' s model to life. Anyone can use the seven secrets of leadership to run a kingdom effectively. Apply them in your life, and the magic of Chanakya ' s wisdom will transform you into the ideal leader. Radhakrishnan Pillai, founder-director of the Chanakya Institute of Public leadership (CIPL), has represented India in various national and international conferences and has taught at educational institutes in Germany (Heidelberg, Cologne), UK (Oxford, Cambridge) and India (IIT, IIM and IISc). His best-selling book Corporate Chanakya is used by business schools around the globe. Pillai received the Sardar Patel International Award in 2009. D. Sivanandhan, former Director General of Police, Maharashtra, is one of India ' s most highly regarded IPS officers. He has been instrumental in rebuilding the defenses of Mumbai after attacks in November 2008, and has served as member of the special task force in the National Security Council Secretariat. Currently, he serves on the board of several companies and is the Chairman of Securus First India Pvt. Ltd.
