Journals versus Field Notes for Bird Watching Although field notes and nature journals do overlap, they sometimes serve different purposes. The goal of keeping field notes is usually to document key points of your bird observations for the purpose of identification, data collection, or other purposes.

Keeping a Bird Watching Journal » Bird Watcher's Digest

Spotting birds is pretty easy and all you really need is a sharp pair of eyes! However, if you'd like to take a closer look at the feathered-friends you find, you'll need: Activity sheet (download in: English, Cymraeg, Bilingual) Online bird identifier; Binoculars; Elephant ears (see 'Step by step guide' below and all will be explained!) Camera or pens and paper; Welsh/English bilingual ...

Birdwatching for Kids with Bird Spotting Sheet - The RSPB

The first bird I tried to look up was the Great Northern Dove, a recent - and very rare - visitor to a local reservoir. There's a mess-up in the production of the book, and the page with the GND has been omitted. Bit annoying, since the book looks like it will be a very handy field guide. Maybe I'll photocopy the missing info out of another RSPB book and take that with me when I'm out and about

A bird watcher's handbook : field ornithology for backyard ...

When using higher magnification, the image brightness and field of view decrease dramatically. The shimmer in the air can also be a problem, and any shake from the support becomes more evident. In practice, this means that the higher power eyepieces are best used in bright conditions for stationary birds. Bigger is not necessarily better. Zoom eyepieces work well with some telescopes, usually ...
