The 1.35-million-acre-monument protects 100,000 archaeological sites and evidence of the ancient people who lived here around 1200 AD. Beyond every corner of every canyon lingers the anticipation of discovery and the air hangs heavy with ghosts.

Land of Ghosts - Salt Lake Magazine

Now I see something very different, now I see a landscape of ghosts from a time forgotten. I see our hills stripped bare of the forests that once thrived upon them, their wildlife desecrated and reduced to living in the margins of the land where they can seek shelter from the hand of man. This is dystopian landscape, as if destroyed by aliens, its inhabitants eking out their existence as refugees from a holocaust.

Land of Ghosts - John D Burns

Now I see something very different, now I see a landscape of ghosts from a time forgotten. I see our hills stripped bare of the forests that once thrived upon them, their wildlife desecrated and reduced to living in the margins of the land where they can seek shelter from the hand of man. Some ghosts appear to be mere recordings on the environment in which they once existed. A Civil War soldier is seen on repeated occasions staring out a window at a house where he once stood guard. A dead child's laughter is heard echoing in a hallway where she often played. There are even cases of ghost cars and trains that can still be heard ...

Theories and Explanations About the Existence of Ghosts

In Celtic mythology, the Otherworld is the realm of the deities and possibly also of the dead.. In Gaelic and Brittonic mythology it is usually described as a supernatural realm of everlasting youth, beauty, health, abundance and joy. The Otherworld is usually elusive, but various mythical heroes visit it either through chance or after being invited by one of its residents.

Celtic Otherworld - Wikipedia

While being chased by a hobo, the castaways find themselves trapped by a force field. They then find a town without any people in it. They soon find out that the town was built by a lonely old man who built the town based on pictures he found on a ship that crash landed on the planet years earlier.

"Land of the Giants" Ghost Town (TV Episode 1968) - IMDb

The inhabitants of the Hungry Ghost Realm are depicted as creatures with scrawny necks, small mouths, emaciated limbs and large, bloated, empty bellies. This is the domain of addiction, where we constantly seek something outside ourselves to curb an insatiable yearning for relief or fulfillment.
