From two-time Carnegie Medal winner Patrick Ness comes an enthralling and provocative new novel chronicling the life — or perhaps afterlife — of a teen trapped in a crumbling, abandoned world. A boy named Seth drowns, desperate and alone in his final moments, losing his life as the pounding sea claims him. But then he wakes. He is naked, thirsty, starving. But alive. How is that possible? He remembers dying, his bones breaking, his skull dashed upon the rocks. So how is he here? And where is this place? It looks like the suburban English town where he lived as a child, before an unthinkable tragedy happened and his family moved to America. But the neighborhood around his old house is overgrown, covered in dust, and completely abandoned. What's going on? And why is it that whenever he closes his eyes, he falls prey to vivid, agonizing memories that seem more real than the world around him? Seth begins a search for answers, hoping that he might not be alone, that this might not be the hell he fears it to be, that there might be more than just this. .

Pay It Forward is a moving, uplifting novel about Trevor McKinney, a twelve-year-old boy in a small California town who accepts his teacher's challenge to earn extra credit by coming up with a plan to change the world. Trevor's idea is simple: do a good deed for three people, and instead of asking them to return the favor, ask them to "pay it forward" to three others who need help. He envisions a vast movement of kindness and goodwill spreading across the world, and in this "quiet, steady masterpiece with an incandescent ending" (Kirkus Reviews), Trevor's actions change his community forever. This middle grade edition of Pay It Forward is extensively revised, making it an appropriate and invaluable complement to lesson plans and an ideal pick for book clubs, classroom use, and summer reading.
