In this wrenching sequel to *Divided We Fall*, Danny and friends fight to defend Idaho against a Federal takeover and the ravages of a Burning Nation.

Randolf and Elizabeth Hudson were barely into their teens when they left the persecuted city of Nauvoo with their mother, Mary, and relocated to booming St. Louis. Years later, under the gathering clouds of civil war, Rand fights to keep the family's steamship business from a hypocritical uncle who has sold out to treacherous slaveholders and secessionists while Elizabeth struggles to end an ill-suited entanglement that could cripple her freedom --

Each unit includes guided reading, building vocabulary, skillbuilder practice, geography application, primary sources, literature selections, reteaching activities, enrichment activities for gifted and talented students, history workshop resources and answer key.

WINNER OF THE LINCOLN FORUM BOOK PRIZE “A Lincoln classic...superb.” —The Washington Post “A book for our time.”—Doris Kearns Goodwin *Lincoln on the Verge* tells the dramatic story of America’s greatest president discovering his own strength to save the Republic. As a divided nation plunges into the deepest crisis in its history, Abraham Lincoln boards a train for Washington and his inauguration—an inauguration Southerners have vowed to prevent. *Lincoln on the Verge* charts these pivotal thirteen days of travel, as Lincoln discovers his power, speaks directly to the public, and sees his country up close. Drawing on new research, this riveting account

reveals the president-elect as a work in progress, showing him on the verge of greatness, as he foils an assassination attempt, forges an unbreakable bond with the American people, and overcomes formidable obstacles in order to take his oath of office.

The Dallas police chief who inspired a nation with his compassionate, community-focused response to the killing of five of his officers shares his story and a blueprint for the future of policing.

From the New York Times bestselling author of *The Last Castle* and *The Girls of Atomic City* comes a new way to look at American history through the story of giving thanks. From Ancient Rome through 21st-century America, bestselling author Denise Kiernan brings us a biography of an idea: gratitude, as a compelling human instinct and a global concept, more than just a mere holiday. Spanning centuries, *We Gather Together* is anchored amid the strife of the Civil War, and driven by the fascinating story of Sarah Josepha Hale, a widowed mother with no formal schooling who became one of the 19th century's most influential tastemakers and who campaigned for decades to make real an annual day of thanks. Populated by an enthralling supporting cast of characters including Frederick Douglass, Abraham Lincoln, Sojourner Truth, Walt Whitman, Norman Rockwell, and others, *We Gather Together* is ultimately a story of tenacity and dedication, an inspiring tale of how imperfect people in challenging times can create powerful legacies. Working at the helm of one of the most widely read magazines in the nation, Hale published Edgar Allan Poe, Nathaniel Hawthorne, Harriet Beecher Stowe, and others, while introducing American readers to such newfangled concepts as "domestic science," white wedding gowns, and the Christmas tree. A prolific writer, Hale penned novels, recipe books, essays and more, including the ubiquitous children's poem, "Mary Had a Little Lamb." And Hale herself never stopped pushing the leaders of her time, in pursuit of her goal. The man who finally granted her wish about a national "thanksgiving" was Lincoln, the president of the war-torn nation in which Hale would never have the right to vote. Illuminating, wildly discussable, part myth-busting, part call to action, *We Gather Together* is full of unexpected delights and uneasy truths. The stories of indigenous peoples, immigrant communities, women's rights activists, abolitionists, and more, will inspire readers to rethink and reclaim what it means to give thanks in this day and age. The book's message of gratitude—especially when embraced during the hardest of times—makes it one to read and share, over and over, at any time of year.

Is America still great or has the country lost its way? This and many other concerns weighing on the minds of everyday Americans is explored by reporters of The Associated Press in "Divided America: An AP Guide to the Fracturing of a Nation." The AP reveals the tensions and issues underlying the tumultuous 2016 U.S. election, but it goes beyond the politics of the moment to ask: How will Americans face continued challenges well after a new president has been chosen? "Divided America," is more than just Democrat vs. Republican or liberal vs. conservative. It's the 1 percent vs. the 99 percent and rural vs. urban. Climate doubters clash with believers. Bathrooms have become battlefields, borders are battle lines. It's sex and race, faith and ethnicity, and a melting pot that's boiling over. The stories examine how Americans define greatness, why evangelical Christians feel they are under siege in the U.S., where the heated rhetoric over immigration has exposed deep division in a once-quiet corner of the West, as well as the disconnect between improving economic data and the day-to-day struggles of ordinary people. AP also looks at the influence of Hispanic and millennial voters, the role of media in shaping a divisive electorate and many other questions that will continue to impact the country for years to come. These profiles are of people from every corner of the U.S. who are hopeful, angry, passionate, optimistic, fatalistic and, above all, divided. Additionally, the book features more than 75 images taken by AP's award-winning photographers. Proceeds from each purchase of "Divided America" will support the efforts of the National Freedom of Information Coalition and its mission to protect the rights of citizens to open government and ensure accessibility and transparency from public institutions, especially on the state and local level. "Divided America" is a must read for anyone looking to understand the pulse of the nation and the issues Americans face on a daily basis.

One of the New York Times Ten Best Books of the Year • A National Book Critics Circle Award Finalist • A New York Times Notable Book A timely exploration of what Shakespeare's plays reveal about our divided land. "In this sprightly and enthralling book . . . Shapiro amply demonstrates [that] for Americans the politics of Shakespeare are not confined to the public realm, but have enormous relevance in the sphere of private life." —The Guardian (London) The plays of William Shakespeare are rare common ground in the United States. For well over two centuries, Americans of all stripes—presidents and activists, soldiers and writers, conservatives and liberals alike—have turned to Shakespeare's works to explore the nation's fault lines. In a narrative arching from Revolutionary times to the present day, leading scholar James Shapiro traces the unparalleled role of Shakespeare's four-hundred-year-old tragedies and comedies in illuminating the many concerns on which American identity has turned. From Abraham Lincoln's and his assassin, John Wilkes Booth's, competing Shakespeare obsessions to the 2017 controversy over the staging of *Julius Caesar* in Central Park, in which a Trump-like leader is assassinated, Shakespeare in a Divided America reveals how no writer has been more embraced, more weaponized, or has shed more light on the hot-button issues in our history.

This popular text surveys the history of the Central American region, covering Guatemala, Belize, Honduras, El Salvador, Nicaragua, Costa Rica, and Panama, from pre-Columbian times to the present. It emphasizes the common characteristics of the Central American states as well as their potential for political union. Now completely updated, the third edition of *Central America: A Nation Divided* encompasses the significant new research and tumultuous events that have taken place since the last edition was published. The text now includes coverage of the civil wars in Guatemala, El Salvador, and Nicaragua, as well as the restoration of peace to the region under the Central American peace accords. It also recounts and analyzes the substantial changes that have occurred in the economic and social arenas as Central American states have turned increasingly to neoliberal policies that emphasize the private sector and the development of exports while reducing government entitlement programs. Students will find this text enormously helpful for sorting through the vast amounts of significant research that has been written and compiled in the past decade. In addition, the Selective Guide to the Literature section has been completely revised to reflect the great increase in research and writing on Central America. Comprehensive and incisively written, *Central America: A Nation Divided* is an essential text for Latin American History courses.

*Rebels at the Gate* is the dramatic story of the first Union victories of the Civil War and the events that caused Virginians to divide their state. In a defiant act to sustain President Lincoln's war effort, Virginia Unionists created their own state government in 1861—destined to become the new state of West Virginia.
