Dwelling in the Land considers what it means for Christians, who are attracted to other members of the

Where To Download

same sex, to live fully under the lordship of Christ. Author Jeanette Howard, believes that homosexuality is not part of God's plan for His world, and has chosen to remain celibate despite experiencing same-sex attraction. She has come to believe that to identify herself

Where To Download

as 'gay' does not do justice to what God has been doing in her life. Instead of being identified by your sexuality, as a Christian you are identified by the fact that you belong to Christ. Some gay Christians have sought healing. Others have turned away from a

conservative

interpretation of the biblical texts. Others have remained

celibate and invested their lives in Christian service. All have found that their sexual orientation has strongly influenced who they perceive themselves to be, and how others perceive them. Allowing God to

Where To Download

dismantle your false identity permits you to live out of your authentic self. As you grow in Christ you are able to perceive true goodness and health; you rid yourself of old habits of thinking; you learn to recognise what is holding others back; and discover new areas of ministry. You do not have to
