Development studies programs combine rigorous academic study with practical skills. Students learn the importance of bridging the gap between policy and practice, where knowing how to write a persuasive proposal or budget plan is just as essential as understanding theoretical concepts such as the drivers of poverty, globalization, or economic sustainability.

~~Why Study Development Studies?~~

Organizational development is the process of helping organizations improve through change in policies, power, leadership, control or job redesign.

AODC stands for Action Officer Development Course (also Australian Oceanographic Data Center and 24 more) What is the abbreviation for Action Officer Development Course?

• Practical advice on Army leadership and command • Fully updated with the latest information for officers of all ranks, branches, and components • Uniforms and insignia, duties and responsibilities, privileges and restrictions, courtesy and customs, posts and organizations, regulations and references • Color images of medals and badges

*Leadership and officership*Rights, privileges, and restrictions*Assignments, pay, career development, and promotions*Uniforms, awards, and decorations*Family matters and the social side of Army life: Published by Stackpole and its corporate predecessors for more than seventy-five years, this book is the bible for U.S. Army officers. Condensed from Army regulations--and the customs and traditions of the service--the guide provides the latest soldier information and frank advice on a variety of issues relating to service life. Also included is a directory of current Army web sites and installations worldwide.

This text explains and synthesizes the functioning and relationships of numerous Defense, Joint, and Army organizations, systems, and processes involved in the development and sustainment of trained and ready forces for the Combatant Commanders. It is designed to be used by the faculty and students at the U.S. Army War College (as well as other training and educational institutions) as they improve their knowledge and understanding of "How the Army Runs." We are proud of the value that senior commanders and staffs place in this text and are pleased to continue to provide this reference.

To celebrate the 75th in-print anniversary of the Army Officer's Guide, Stackpole Books is offering a deluxe bound, hard cover limited printing of its famous Army Officer's Guide, now in its 50th Edition. Included are a history of this venerable book and excerpts from the 1930 first edition of the Guide and the influence it has had on the United States Army officer corps in World War II, the Korean War, the Vietnam War, and today's conflicts.
