This convenient Portable Version of O'Connor/Sabato's American Government: Continuity and Change features all the content of the original comprehensive text split into four lightweight, paperbacks – Foundations, Institutions, Political Behavior, and Public Policy – plus new practice tests for students found at the back of each volume. Guided by the belief that students must first understand how American government developed over more than two centuries to fully understand the issues facing the United States today, O'Connor/Sabato offers the strongest coverage of both history and current events of any college textbook devoted to American politics. This best-selling book provides the historical context students need to understand our government and the most crucial and controversial issues affecting the nation in the 21st century. American Government: Continuity and Change, has been extensively revised to provide the most in-depth and current coverage of the 2006 midterm elections, the second George W. Bush administration, the Iraq War, and increasing controversies related to the conduct of the war on terrorism, including renewed calls for additional congressional oversight of the Executive Branch. The new edition also emphasizes the extent to which shared American values shape and affect policy and influence key political conflicts.

American Government 2e is designed to meet the scope and sequence requirements of the single-semester American Government course. This title includes innovative features designed to enhance student learning, including Insider Perspective features and a Get Connected module that shows students how they can get engaged in the political process. The book provides an important opportunity for students to learn the core concepts of American Government and understand how those concepts apply to their lives and the world around them.

The Committee on House Administration is pleased to present this revised book on our United States Government. This publication continues to be a popular introductory guide for American citizens and those of other countries who seek a greater understanding of our heritage of democracy. The question-and-answer format covers a broad range of topics dealing with the legislative, executive, and judicial branches of our Government as well as the electoral process and the role of political parties.--Foreword.

Book Excerpt: ...ing so heavily upon millions of our people. Our next step in seeking immediate relief is a grant of half a billion

dollars to help the states, counties and municipalities in their duty to care for those who need direct and immediate relief. The Congress also passed legislation authorizing the sale of beer in such states as desired it. This has already resulted in considerable reemployment and incidentally has provided much needed tax revenue. We are planning to ask the Congress for legislation to enable the government to undertake public works, thus stimulating directly and indirectly the employment of many others in well-considered projects. Further legislation has been taken up which goes much more fundamentally into our economic problems. The Farm Relief Bill seeks by the use of several methods, alone or together, to bring about an increased return to farmers for their major farm products, seeking at the same time to prevent in the days to come disastrous overproduction which so often in the..

Threats to freedom of the press and the need for democratic dialogue are always greatest in wartime. At a time when the debate over the role of the free press is as contentious as ever before, John Byrne Cooke, son of the veteran journalist Alistair Cooke, delivers a must-read exploration of freedom of the press in wartime throughout American history. Reporting the War brings to life how the press has affected the course of some, but not all, American wars, how the government has tried to suppress opposing opinion, how the press has struggled, and continues to struggle to preserve the principles of the Founding Fathers. Cooke charts a fascinating journey from the American Revolution to the ongoing War on Terrorism.

The Public Health Foundation (PHF) in partnership with the Centers for Disease Control and Prevention (CDC) is pleased to announce the availability of Epidemiology and Prevention of Vaccine-Preventable Diseases, 13th Edition or "The Pink Book" E-Book.
