The Good Life was a publication that was sent out on a semi-regular basis to a small group of friends/colleagues/subscribers beginning in November 1993 and concluding in September 2002. This book is a compilation of those issues. The subject material is varied and diverse---the bulk of it is a recounting of real life experiences, both mundane and dramatic, frequently analyzed from sociological, philosophical, psychological and humanistic perspectives. It also includes commentary on sociological issues, as well as topical commentary on the events of the day: the O.J. Simpson trial, the death of Princess Diana, and September 11, 2001. Sports topics of the day are discussed, and a smattering of poetry is also included, as well as reader commentary. It is an open-minded and multi-faceted book unlike any other you have read or will read.

After his anger erupts into violence, Cole, in order to avoid going to prison, agrees to participate in a sentencing alternative based on the native American Circle Justice, and he is sent to a remote Alaskan Island where an encounter with a huge Spirit Bear changes his life.
