Radio for sale | In ...

The FR-531-2 family radio supports the
14 FRS channels with a maximum range
of 2 miles. It offers channel scan and hands-
free operation. It is a low end, economical
model but would be a good radio if your
use is very infrequent, and if you do not
plan to use it in crowded environments.
The FR-531-2 is a twin pack and includes
two radios.
