Mitchell 1 has been a leader in creating accurate labor times in the aftermarket automotive industry. The three reasons we have been able to shine are: Expert labor editors: We hire our customers. These are expert technicians, who have been in the automotive repair industry for at least eight years.

Labor Times - Automotive Labor Guide | Mitchell 1

If the labor guide dictates it takes 2.3 hours to replace the starter, then the customer pays for the new starter, plus the 2.3 hours of labor to install it. As long as nothing happens during the procedure where another part is compromised, the charge remains the same regardless of the amount of time it took the technician to replace the starter.
