The Origin of Lucky Charms. The origin of lucky amulets dates back to the Neolithic when the primitive hunters and gatherers collected shiny stones with unusual shapes and took them with them to bring them a bit of good luck. The first lucky amulets in the form of a jewel go back to the Egypt of the pharaohs, almost 5,000 years ago.

Bad beat jackpots are usually progressive, often with a small rake being taken out of each pot to fund the jackpot (in addition to the regular rake). When a jackpot is won, it is usually split among all players sitting at the table at the time of the bad beat with the losing hand getting the largest share, followed by the winning hand, and all the other players dividing the remainder.
