Download Free Bamboo Goalposts One Mans Quest

This is the legacy he craves – the book is modestly subtitled “One Man’s Quest to Teach the Republic of China to Love Football” – though he is far from achieving it. He was stunned by China’s lack of amateur clubs, though perhaps should not have been given that in the 1980s the Communist government banned organised matches, unless they involved an elite sports team, deeming them a “group activity”.

Simons has lived (and played football) in China for decades and Bamboo Goalposts is his hilarious and insightful account of what it's like to live, work and play there.

Rowan Simons

Bamboo Goalposts is a personal odyssey inspired by the selfless pioneers of amateur football who took the game around the world in centuries past, but somehow missed China.
