Barbara London Photography 11th Edition

Get Free Barbara London Photography 11th Edition

Without a doubt, this is the best book ever for photography. Begins with "how to load film" and runs through every minor detail you could ever care to know. Then, it ends with a lovely recap of photography history. This book is hefty, weighing-in at about 10 pounds (not a real measurement) and 500 pages (real page count, yes).
