Provides identification information and values for over a thousand Barbie dolls issued between 1959 and the present.

Collector Books is proud to release the second edition of this book, now including all Barbie exclusives produced and discovered by collectors since 1997. This all-in-one resource features over 1,800 vibrant color photos of Barbie exclusives with close-ups of each doll and descriptions. This encyclopedia includes the unusual and rare ultra-limited Jubilee series of dolls, the porcelain and vinyl dolls produced for Disney, the complete Barbie Festival collection, every national Barbie doll Collectors' Convention set, a spectacular collection of one-of-a-kind Barbie dolls auctions by Mattel for charity, and much more. 8.5 x 11. 2002 values.

A history of the costumes for Barbie dolls describes and illustrates the outfits available for each year from 1959 to 1974

The most comprehensive work on Barbie dolls ever. Over 1,000 color photos cover the complete line of Barbie dolls and family members, from her emergence in 1959, all the way through 1989, as well as newer Barbies. In total, over 1,000 dolls are featured. The book also itemizes all outfits sold up to 1972 (more than 1,000 sets), as well as countless accessories, such as cases, houses, displays, and gift sets, all priced at their current values.

A unique look at America's doll icon correlates fashion trends with the makeup and hairstyles that the Barbie doll wore between 1959 and 1971. A close inspection of the doll, rather than just her clothes, gives insight on how her face was painted, how her hair was styled and all of the influences that kept her a fashion statement during the changing beauty developments from the Kennedy era through the Mod

1960s. Interesting and informative, with fabulous photographs, Face of the American Dream will delight anyone who ever played with a Barbie doll, and for those who didn't, it is fun to read as a mass culture documentary about changing beauty trends.

Originally published: New York: William Morrow & Co, c1994.

Beautifully illustrated biography of Ruth Handler, from childhood to adulthood, the creator of Barbie with intent "to inspire little girls to use their big imaginations and big dreams about their futures."

When today's Barbie(r) doll collector puts together an outfit for the world's most fashionable doll, they soon find out that the bulk of the value lies in the shoes, hats, gloves, jewelry, and other important accessories. This revised and expanded, lighter edition is decked out with more than 1,200 images of accessories for Barbie, Skipper(r), Francie(r), Ken(r), and other fashionable dolls available from 1959 to 1972, including stands and travel brochures. Complete with values and a cross-referenced description of the outfits each accessory came with, this identification guide is an authority for collectors and a fun addition to any fashionista's library."

A legendary fashion designer for Barbie shares the story of her adventures working behind-the-scenes at Mattel, and spotlights the creations that transformed the world's most famous doll into a style icon in this beautifully designed book—published in commemoration of Barbie's sixtieth anniversary—illustrated with 100 full-color photographs, including many never-before-seen images of rare and one-of-a-kind pieces from the author's private archive. Dressing Barbie is a dazzling celebration of the clothes that made America's favorite doll, and the incredible woman behind them. For thirty-five years, Carol Spencer enjoyed an unparalleled reign as a Barbie fashion designer, creating some of Barbie's most iconic looks from the early 1960s until the late 1990s. Barbie's wide-ranging wardrobe—including princess gowns and daisy-print rompers, flirty sundresses and smart pantsuits—combined fashion trends and haute couture with a liberal dose of fantasy. In Dressing Barbie, the successful and prolific designer reminisces about her time at Mattel working with legendary figures such as Ruth Handler, Barbie's creator, and Charlotte Johnson, the original Barbie designer, and talks about her best and most beloved clothing designs from each decade. But Carol's most impressive creation is her own life. As Handler famously said, "Barbie always represented the fact that a girl has choices"—a credo Carol epitomized. In Dressing Barbie, she talks candidly about how she broke free of the constraints of the late 1950s to pursue a dazzling career and an independent life for herself. Over the course of her successful and prolific career, Carol won many accolades. She was the first designer to have her signature on the doll, the first to go on a signing tour, the first to design a limited-edition Barbie Doll for collectors, and the designer of the biggest selling Barbie of all

time. Now, Carol is the first member of the inner circle to take fans behind the pink curtain, revealing the fashion world of Barbie, the quintessential California girl, as never before.
