Britain's Biggest Stockist of Beryl Cook Fine Art » Bumper ...
Beryl Cook, OBE (10 September 1926 – 28 May 2008) was a British artist best known for her original and instantly recognisable paintings. Often comical, her works pictured people whom she encountered in everyday life, including people enjoying themselves in pubs, girls shopping or out on a hen night, drag queen shows or a family picnicking by the seaside or abroad.

Beryl Cook - Wikipedia

Beryl Cook is Britains's most popular and endearing artist. Her ability to delight the viewer has made her as popular as any of our best-loved comedians. This beautiful and lavish book features over 300 of Beryl's playful, hilarious, and perceptive color pictures.

Beryl Cook¿s place deep in the heart of the British public is long-standing . Her humour, playfulness, subtlety and perceptiveness have guaranteed her position as Britain¿s most enduringly popular artist. Saucy and shy, risqué and prudish, she records details of contemporary life with irrepressible glee. Cruising is a book that illustrates both the sailing and the amorous kinds. Whether it¿s a group of large women tumbling into a tardis-sized jacuzzi on the deck of an ocean liner, or a bride-to-be lunging into the arms of an unsuspecting Tarzanogram on her hen night, Beryl Cook paints with delicious wit, inviting us in on a world having a good time.

There are more than a few ways to grow old, so why not choose disgracefully? This book features original artwork from Beryl Cook, accompanied by lovely suggestions from dressing inappropriately to naked hot-tubbing. A perfect gift for those living on the lighter side of life.

Beryl Cook began to paint during the 1960s and became a local phenomenon in Cornwall, England where she lived with her family, but it wasn't until 1975 that she first exhibited her work. Her appeal was classless and she rapidly became Britain's most popular artist. She was a 'heart and soul' painter, compelled to paint with a passion. Her work became instantly recognisable and was soon a part of our artistic vernacular. A modern-day Hogarth, Beryl Cook was a social observer, albeit with a more sympathetic view of humanity. The warm, original style of her paintings encapsulates joy. She possessed that rare gift - the power to uplift. Now the work of Beryl Cook can be seen again, both by her loyal fans and a new generation, in this vibrant and fun product range from Kinkajou.

Sir Charles Sheridan is many things—an amateur scientist, a renowned photographer, and a skilled detective. And due to Victorian customs, he will soon become a baron—rendering him unable to marry American writer Kate Ardleigh. But even as customs keep them apart, a good muder case always seems to bring them together... The Countess of Warwick, known affectionately as "Daisy," is the subject of endless rumors about her "unladylike" ways and temperament. But what happens during a weekend party at her Easton estate is uglier that any rumor. First, a stableboy is killed. Then a nobleman is murdered outide Daisy's well-known trysting spot. A murderer is on the grounds—and on the loose. Seeking to avoid scandal, the Prince of Wales orders Sir Charles to solve the case. Together, he and Miss Ardleigh find that even the highest levels of society are no refuge from the lowest of deeds...

This is a collection of illustrations by Beryl Cook, of joyous, inimitable fat ladies, in rumbustious Rubenesque poses. Confirming her strength as a benignly wicked social satirist, this is an affectionate dig at life's absurdities.

Beryl Cook began to paint during the 1960s and became a local phenomenon in Cornwall, England where she lived with her family, but it wasn't until 1975 that she first exhibited her work. Her appeal was classless and she rapidly became Britain's most popular artist. She was a 'heart and soul' painter, compelled to paint with a passion. Her work became instantly recognisable and was soon a part of our artistic vernacular. A modern-day Hogarth, Beryl Cook was a social observer, albeit with a more sympathetic view of humanity. The warm, original style of her paintings encapsulates joy. She possessed that rare gift - the power to uplift. Now the work of Beryl Cook can be seen again, both by her loyal fans and a new generation, in this vibrant and fun product range from Kinkajou.

The diary and essays of Brian Eno republished twenty-five years on with a new introduction by the artist in a beautiful hardback edition. 'A cranium tour of one of the most creative minds of our age . . . [Eno] delivers razor-sharp commentary with devilish snarkiness and brutal honesty.' Wired At the end of 1994, Brian Eno resolved to keep a diary. His plans to go to the cinema, theatre and galleries fell quickly to the wayside. What he did do - and write - however, was astonishing: ruminations on his collaborative work with David Bowie, U2, James and Jah Wobble, interspersed with correspondence and essays dating back to 1978. These 'appendices' covered topics from the generative and ambient music Eno pioneered to what he believed the role of an artist and their art to be, alongside adroit commentary on quotidian tribulations and happenings around the world. An intimate insight into one of the most influential creative artists of our time, A Year with Swollen Appendices is an essential classic.

'The World of Beryl Cook' presents a unique survey of Beryl Cook's 40-year career. The book traces the origins of her inspiration, from her life in Plymouth and Bristol to her love for the work of Stanley Spencer and Edward Burra.
