Birdsong was written over twenty years ago but Faulks's message is as relevant today as it was then and as I'm sure it will be in another twenty years. This intense novel is about love, loss and courage, but most importantly it is about how limitless human compassion and strength can be.

Birdsong Quotes by Sebastian Faulks - Goodreads

Birdsong is "a story of love and war." A mixture of fact and fiction, the book was born of the fear that the First World War was passing out of collective consciousness. At one level, it upholds the promise:
"We Shall Remember Them," and Faulks's fictional soldiers give an identity to the "lost" of the war—both the dead and "the ones they did not find."

Birdsong by Sebastian Faulks Plot Summary | LitCharts

Searingly dispassionate in its account of life in the trenches and the commonplace nature of death, Peter Firth's narration of Sebastian Faulks's wartime epic is as shocking as it is honest. Set before and during the great war, Birdsong captures the drama of that era on both a national and a personal scale. It is the story of Stephen, a young Englishman, who arrives in Amiens in 1910.
