will rejuvenate her sagging spirits. But instead of offering serenity, the Blue Goose is embroiled in a family feud: old ornery, ailing Aunt Bess plans to sell the lodge to developers. But the morning she is supposed to sign the papers, she is found poisoned in her bed. No one at the lodge is above suspicion by investigating-detective Fred Sawyer, except perhaps Allison, with whom he has found a kindred spirit...and an intuitive observer of an increasingly devious crime. Louie, the Big Blue Goose By: Alexander Wuchevich Louie is a goose who was born blue and very big, much larger than the other geese his age. Because he was different, the other geese did not bother with him which made Louie very sad. The day comes where all the geese fly to the USA, as they do each year. When a young goose breaks his wing during landing, Louie volunteers himself to fly the little one on his back to see a doctor. There is a valuable lesson for all children - and adults - in Louie's story: Never judge others by their appearances for we do not know their heart.

When Farmer Gray goes away, Blue Goose, Red Hen, Yellow Chick, and White Duck decide to paint their black and white barnyard. Red Hen paints the barn red. White Duck paints the fence white. When Blue Goose and Yellow Chick mix their paints together they make green for grass and trees. By the time Farmer Gray returns the farm is filled with color. Focusing on primary and secondary colors, this story is a fun and friendly way for children to learn basic concepts. Now available as a sturdy board book, children can watch Farmer Gray's inhabitants paint their world again and again. This 6 x 6 board book has 34 pages and rounded corners.
