2004 BMW X5 E53 3.0D SPORT | eBay
Our verdict on the BMW X5 3.0d Sport. The X5 is BMW at its best. Forget the questionable styling of the company's 5 and 7 Series models for a moment, as the firm's muscular sport utility not only looks good but also delivers the goods in spades. While not a cheap option, the long waiting lists tell you all you need to know.

The BMW E53 is the first-generation BMW X5 mid-sized luxury crossover SUV. It was produced from 1999-2006 and was replaced by the BMW E70. The E53 was developed at a time when BMW still owned Land Rover and as such shares many components and designs with both the Land Rover Range Rover L322 model and the BMW E39 5 Series. The entire in-car entertainment system are shared with other BMWs and L322.
