Creating a brand identity is a fascinating and complex challenge for the graphic designer. It requires practical design skills and creative drive as well as an understanding of marketing and consumer behaviour. This practical handbook is a comprehensive introduction to this multifaceted process. Exercises and examples highlight the key activities undertaken by designers to create a successful brand identity, including defining the audience, analyzing competitors, creating mood boards, naming brands, designing logos, presenting to clients, rebranding and launching the new identity. Case studies throughout the book are illustrated with brand identities from around the world, including a diverse range of industries – digital media, fashion, advertising, product design, packaging, retail and more.

Ideal for students of design, independent designers, and entrepreneurs who want to expand their understanding of effective design in business, Identity Designed is the definitive guide to visual branding. Written by best-selling writer and renowned designer David Airey, Identity Designed formalizes the process and the benefits of brand identity design and includes a substantial collection of high-caliber projects from a variety of the world's most talented design studios. You'll see the history and importance of branding, a contemporary assessment of best practices, and how there's always more than one way to exceed client expectations. You'll also learn a range of methods for conducting research, defining strategy, generating ideas, developing touchpoints, implementing style guides, and futureproofing your designs. Each identity case study is followed by a recap of key points. The book includes projects by Lantern, Base, Pharus, OCD, Rice Creative, Foreign Policy, Underline Studio, Fedoriv, Freytag Anderson, Bedow, Robot Food, Together Design, Believe in, Jack Renwick Studio, ico Design, and Lundgren+Lindqvist. Identity Designed is a must-have, not only for designers, but also for entrepreneurs who want to improve their work with a greater understanding of how good design is good business.

In Logo Design Love, Irish graphic designer David Airey brings the best parts of his wildly popular blog of the same name to the printed page. Just as in the blog, David fills each page of this simple, modern-looking book with gorgeous logos and real world anecdotes that illustrate best practices for designing brand identity systems that last.

The right brand identity has the power to attract, engage and compel people to do business with you. But for many entrepreneurs, creating an effective brand can be a challenge. Whether you're a start-up on a lemonade budget, or a seasoned entrepreneur planning on working with a professional, an understanding of the process is essential. In this comprehensive workbook, Fiona Humberstone will walk you through the process of styling your brand. From finding your focus, creating an inspirational vision and unlocking the power of colour psychology; Fiona will help you understand the design details that will make your business irresistible. How to Style Your Brand will ensure you get your branding right, first time. In How to Style Your Brand, Fiona shares with you the secrets behind using colour to create an emotive connection; how to use pattern and illustrations to add character and personality and how to carefully select typefaces that add a distinctive and intentional edge to your designs

The NASA Graphics Standards Manual, by Richard Danne and Bruce Blackburn, is a futuristic vision for an agency at the cutting edge of science and exploration. Housed in a special anti-static package, the book features a foreword by Richard Danne, an essay by Christopher Bonanos, scans of the original manual (from Danne's personal copy), reproductions of the original NASA 35mm slide presentation, and scans of the Managers Guide, a follow-up booklet distributed by NASA.

Brand Addiction is a compilation of complete visual identity systems designed for fashion shops.

Brand Identity Essentials, Revised and Expanded outlines and demonstrates basic logo and branding design guidelines and rules through 100 principles. These include the elements of a successful graphic identity, identity programs and brand identity, and all the various strategies and elements involved. A company's identity encompasses far more than just its logo. Identity is crucial to establishing the public's perception of a company, its products, and its effectiveness—and it's the designer's job to envision the brand and create what the public sees. Brand Identity Essentials, a classic design reference now updated and expanded, lays a foundation for brand building, illustrating the construction of strong brands through examples of world-class design. Topics include: A Sense of Place, Cultural Symbols, Logos as Storytellers, What is "On Brand?", Brand Psychology, Building an Online Identity, Managing Multiple Brands, Owning an Aesthetic, Logo Lifecycles, Programs That Stand Out, Promising Something, and Honesty is Sustainable The new, revised edition expands each of the categories, descriptions, and selections of images, and incorporates emergent themes in digital design and delivery that have developed since the book first appeared. Brand Identity Essentials is a must-have reference for budding design professionals and established designers alike.
