The Wealthy Physician is an informative and exciting new book for the physician and all other professionals. Finally you have a one stop guide to help make complex financial decisions easier to understand!The objective of the book is nothing more and nothing less than to give the educated medical professional a solid and easy-to-understand track to run on www.wealthyphysicianbook.com----- " With this little book, THE WEALTHY PHYSICIAN, Chase Chandler has done an exceptionally good job of producing an essential outline for all professionals as they develop their financial future. This work can be equally valuable to those who have been led astray by the conventional wisdom that has plagued mankind since the beginning of time. I encourage all to study the wisdom that Chase has incorporated here. " R. Nelson Nash, Austrian Economist,Best-Selling Author of BECOMING YOUR OWN BANKER and, the recently released, BUILDING YOUR WAREHOUSE OF WEALTH " I have recently finished my residency in orthopaedic surgery. I now face a mountain of debt along with many other pressures in getting my career started. Add to that the fact that nowhere in medical school or residency training is there a useful section on managing money efficiently. Thankfully, Chase has spelled it all out in his book The Wealthy Physician. It was a very easy read, and it lays out effective strategies in a simple, easy to understand terms. Additionally, Chase on a personal level has been great on giving sound advice. It is refreshing to see an advisor who truly is out for the client first and foremost. I am looking forward to employing these strategies as laid out in the book as I embark on my career. " Val Irion, M.D. " Our way of thinking about money and savings has forever changed thanks to Chase. We are in the process of achieving a level of financial independence and security that I never thought was possible. " Amanda Caldwell, Pharm.D. " Teaching at the university level, I am always looking for sources to use with my students. Your book will be one I use in my administration class for health care professionals and I will highly recommend it to my students as a helpful source as they deal with personal finance issues. I sat down and read it through as soon as I got it. It is easy to understand and gives sound advice that even someone that is not into finance will find helpful. I look forward to others in the series. A job well done! " Randy Lambeth, Ed.D., ATC, LAT

Everyone faces big questions when it comes to money: questions about saving, investing, and whether you're getting it right with your finances. Unfortunately, many of the answers provided by the financial industry have been based on belief and conjecture rather than data and evidence—until now. In Just Keep Buying, hugely popular finance blogger Nick Maggiulli crunches the numbers to answer the biggest questions in personal finance and investing, while providing you with proven ways to build your wealth right away. You will learn why you need to save less than you think; why saving up cash to buy market dips isn't a good idea; how to survive (and thrive) during a market crash; and much more. By following the strategies revealed here, you can act smarter and live richer each and every day. It's time to take the next step in your wealth-building journey. It's time to Just Keep Buying.

"I have known Michael for over twenty years. He has one of the smartest business minds I know. When he gives me advice, I pay attention, and you should, too. Automatic Wealth is full of wisdom and insight filtered by a master and brought to you in a well-written and delightful style." -John Mauldin, Editor of the bestselling book, Just One Thing: Twelve of the World's Best Investors Reveal the One Strategy You Can't Overlook "I am not usually a fan of this kind of book. One entitled Automatic Wealth made me suspicious. But I am a fan of Michael Masterson, and when I read the book, I was impressed. Masterson manages to go beyond the theory to tell you exactly how real people make real money in the real world. That, I think, is his genius. He's able to open his own eyes and see for himself what actually works. The result is original, clever, and very helpful to anyone who is serious about building wealth." -Bill Bonner, co-author of Empire of Debt: The Rise of an Epic Financial Crisis "Michael Masterson has been a great friend of mine for over twenty years. I know for a fact that the strategy he teaches is the exact same strategy he has personally used to amass extraordinary wealth and prosperity for himself. He's reduced a normally daunting process down to six simple and unfailing steps YOU can absolutely use to vastly and rapidly increase your financial situation, often times doubling and redoubling your wealth every few years. This book will become your financial bible." -Jay Abraham, author of Getting Everything You Can Out of All You've Got: 21 Ways You Can Out-Think, Out-Perform, and Out-Earn the Competition "Michael Masterson's book is brilliant and concise, packed with breakthrough insights and unique wealth-building tips. Best of all, it's practical because it combines proven investment and financial planning advice with street-smart business and real estate secrets." -Robert Ringer, author of Action!, Looking Out for #1, and To Be or Not to Be Intimidated?

For warehouses, distribution centers and plant stores Many descriptions of material handling equipment Combining of various equipment types into systems Selecting a preferred system for an existing building Configuring of a new building.
