Not sure if you can get into an elite MBA program at Harvard, Stanford or Wharton? A leading MBA admissions consultant assesses your odds of success based on actual profiles of real business school applicants. A witty, entertaining and highly informative look at elite business school admissions

Presents examples of 123 real-life essays by college hopefuls along with practical advice from admission officers from top universities on what they look for when evaluating essays and applicants during the application process. Original. 15,000 first printing.

Provides examples of essays by law school applicants and an overview of the admissions process with tips on prepping an application.

Expert guidance to help you write the essay that gets you accepted by the best business schools If you're applying to a business school these days, you need more than good grades, high GMAT scores, and an impressive resume. You need to write attention-grabbing essays that express your individuality, identify your goals, and play up your talents and strengths. Written by a renowned admissions consultant who has helped applicants get accepted into the nation's top schools, this all-in-one guide will show you what today's top-level admissions offices are looking for. Filled with clear guidelines, insider tips, and winning samples, it will lead you through every step of the application essay process. You'll learn how to organize and structure your writing, avoid common pitfalls, and market yourself like a pro. The book includes: The 8 most common essay questions--and how to answer them 22 actual essays by successful applicants to top schools Interactive exercises and self-quizzes to guide you in the right direction Self-marketing strategies to highlight your individual talents Candid insights from admissions officers at top-ranked business schools

"Prospective MBA students will find everything they need to prepare successful admission essays in this book. Containing 50 real essays students have written to gain admission to top business schools, this guide details the strengths of each essay, the inspiration of the student who wrote it, and what makes it a winner. The essays represent a diverse group of students and include those with traditional consulting and business backgrounds, as well as those with nontraditional backgrounds in areas such as public service, the military, and culinary arts. Crucial insights are included from business school admission officers who reveal what they are looking for in applicants, and successful applicants describe what worked for them and the mistakes

they made that future applicants should avoid. Also included are strategies for the entire admission process, such as how to research the type of students that each school is seeking, ace the interview, and get powerful recommendations"--
