Be sure that each ECM ID (22) and the address for every ECM object (23) is unique. The CDL or J1939 address must match the engine or the accessory ECM data link address, the "Module Identifier" (MID). Refer to Illustration 12 and Illustration 13. Note: The address information can be found through Cat ET or Cat CTK. Press "CTRL + I" while the computer is connected to each component or follow the instructions that are provided in the component specific literature.
