The role of women in creating social change is illuminated in the stories of Florence Luscomb, Ella Baker, and Jessie Lopez De La Cruz

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, I Know Why the Caged Bird Sings will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

U.S. History by OpenStax (Print Version, Paperback, B&W, Volume 1 & 2) This is the grayscale (black and white) paperback edition, with a donation made to OpenStax from every new copy sold. Its list price is lower from the use of the latest in printing technology. U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The 32 chapters provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender. The War in American Culture explores the role of World War II in the transformation of American social, cultural, and political life. World War II posed a crisis for American culture: to defeat the enemy, Americans had to unite across the class, racial and ethnic boundaries that had long divided them. Exploring government censorship of war photography, the revision of immigration laws, Hollywood moviemaking, swing music, and popular magazines, these essays reveal the creation of a new national identity that was pluralistic, but also controlled and sanitized. Concentrating on the home front and the impact of the war on the lives of ordinary Americans, the contributors give us a rich portrayal of family life, sexuality, cultural images, and working-class life in addition to detailed consideration of African Americans, Latinos, and women who lived through the unsettling and rapidly altered circumstances of wartime America.

An associate justice on the renowned Warren Court whose landmark ruling in Brown v. Board of Education overturned racial segregation in schools and other public facilities, Tom C. Clark was a crusader for justice throughout his long legal career. Among many tributes Clark received, Supreme Court Chief Justice Warren Burger opined that "no man in the past thirty years has contributed more to the improvement of justice than Tom Clark." Supreme Court Justice Tom C. Clark is the first biography of this important American jurist. Written by his daughter, Mimi Clark Gronlund, and based on interviews with many of Clark's judicial associates, friends, and family, as well as archival research, it offers a well-rounded portrait of a lawyer and judge who dealt with issues that remain in contention today—civil rights, the rights of the accused, school prayer, and censorship/pornography, among them. Gronlund explores the factors in her father's upbringing and education that helped form his judicial philosophy, then describes how that philosophy shaped his decisions on key issues and cases, including the internment of Japanese Americans during World War II, the investigation of war fraud, the Truman administration's loyalty program (an anti-communist effort), the Brown decision, Mapp v. Ohio (protections against unreasonable search and seizure), and Abington v. Schempp (which overturned a state law that required reading from the Bible each day in public schools).

Bowl Full of Memories: 100 Years of Football at the Yale Bowl covers the Yale football from its inception in 1872 and pays tribute to the historic Yale Bowl, which celebrates its 100th anniversary in 2014. Based on more than 150 interviews—more than 100 of which were conducted with former players—the book serves as a time-capsule of Yale football by those who took part in this most storied college football program. Players, coaches, writers, broadcasters and fans give their view of the spectacle, people, places, and contests that make Yale football history come to life. Marazzi, who has seen almost every game in the Yale Bowl in the last 50 years, gives due attention to the career of towering figures like legendary Yale football coach Walter Camp, whose story is important to understanding Yale football and the evolution of the game as we know it. And of course he covers the one of the oldest rivalries in college sports, between Yale and Harvard. The book takes readers into the huddle, the locker room, the practice field, the campus, and the hearts and minds of Yalies over the past century. Bowl Full of Memories: 100 Years of Football at the Yale Bowl is a book that every Yale alum, Ivy League and college football fan will want to own and refer to often. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
