Citizenship In Diverse Societies

Abstract. Most modern democracies contain significant minority groups whose language, religion, or ethnicity differs from those of the majority. In this book, leading scholars of multicultural issues examine questions related to multiculturalism and citizenship, specifically addressing the issue of whether it is possible in multicultural societies to accommodate these forms of diversity without weakening the bonds of common citizenship.

---

Citizenship in Diverse Societies - Oxford Scholarship

Citizenship in Diverse Societies examines the specific points of conflict and convergence between concerns for citizenship and diversity in democratic societies and reassesses and refines existing theories of 'diverse citizenship' by examining these theories in the light of actual practices and policies of pluralistic democracies.
