The Hour of the Dragon, also known as Conan the Conqueror, is a fantasy novel written by Robert E. Howard featuring his seminal sword and sorcery hero Conan the Cimmerian. It was the last Conan story published before Howard's suicide although not the last to be written. The plot is a loosely based melange of motifs from previous Conan short stories, most notably The Scarlet Citadel, with which it shares an almost identical storyline.

The sweeping and thrilling novel about the world's most beloved swordsman: Conan the Barbarian. First published in the pulp magazine *Weird Tales*, *The Hour of the Dragon*, also known as "Conan the Conqueror," is Robert E. Howard's only full-length novel featuring Conan the Barbarian. It is considered by many to be one of the author's best works. During Conan's reign as King of Aquilonia, a group of conspirators plot to depose him in favor of Valerius, heir to Conan's predecessor, Numedides, whom the swordsman had slain to gain the throne. To accomplish their goal they resort to resurrecting Xaltotun, an ancient sorcerer from the pre-Hyborian empire of Acheron. With Xaltotun's aid, the Aquilonian army is defeated by that of the rival kingdom and occupied. Conan is captured and slated for

execution—until the slave girl Zenobia risks her life to free him. Now, Conan's quest will take him across the lands of Hyboria. The Hour of the Dragon is a testament to a writer who has been coined the inventor of the sword and sorcery genre. This ebook has been professionally proofread to ensure accuracy and readability on all devices.

The intense psychological portrait of a hitman—the anti-Jason Bourne—as he stalks his prey from Boston to LA. He wants you to know him, maybe even admire him, but only for his excellence in his craft. Perhaps he was even born for it. "A natural killer," his mentor—a middleman named Vespucci—said he was. He proved it with his first professional hit: a Fifth Circuit Court judge in Boston, executed with a sheet of Saran Wrap in the stairwell of her own courthouse. He's proved his merit often, usually with a Glock semiautomatic, but he's improvised too, with his bare hands, the heel of a shoe, knives, even a sewing machine. He is the consummate assassin, at the top of his form, immune to the psychological strains of his chosen profession. He is what the Russians call a Silver Bear. He calls himself Columbus. It's the name Vespucci gave him, ten years ago, when he discovered a dark, new world of fences, clients, marks, jobs, jack. Not that his real name meant much to him anyway. He never knew his father or his

mother, a prostitute who became dangerously involved back in the seventies with an earnest young congressman named Abe Mann, then a rising star in the Democratic Party. The magnetic Abe Mann has since become the Speaker of the House. He is currently running for the Democratic nomination in an exhausting presidential campaign, weaving his way across the country. Columbus is not far behind. But as he pieces together his past and prepares the seamless assassination of his mark, the criminal underworld he has always ruled begins unraveling violently around him.

The Hour of the Dragon, also known as Conan the Conqueror, is a fantasy novel written by Robert E. Howard featuring his seminal sword and sorcery hero Conan the Cimmerian. It was the last Conan story published before Howard's suicide although not the last to be written. The plot is a loosely based melange of motifs from previous Conan short stories, most notably The Scarlet Citadel, with which it shares an almost identical storyline. It takes place when Conan is about forty-five, during his reign as King of Aquilonia, and follows a plot by a group of conspirators to depose him in favor of Valerius, heir to Conan's predecessor Numedides, whom he had slain to gain the throne.

Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Newly updated edition with beautiful custom illustrations! Join Conan the Barbarian on his many adventures from mercenary and thief to conqueror and king as he smites demons, fights wizards, slays monsters, unearths forgotten treasures, battles against all odds, journeys to exotic lands, loves and lusts, uncovers hidden mysteries, and always refuses to yield! This epic collection contains all 18 of Robert E. Howard's Conan stories published during his lifetime. These stories were originally published in Weird Tales magazine between 1933

sorcery hero who originated in pulp fiction magazines and has since been adapted to books, comics, several films (including Conan the Barbarian and Conan the Destroyer), television programs (cartoon and live-action), video games, role-playing games and other media. The character was created by writer Robert E. Howard in 1932 via a series of fantasy stories published in *Weird Tales* magazine.

Character: Conan is a Cimmerian. From Robert E. Howard's writings (The Hyborian Age among others) it is known that the Cimmerians were based on the Celts or Gaels. He was born on a battlefield and is the son of a village blacksmith. Conan matured quickly as a youth and, by age fifteen, he was already a respected warrior who had participated in the destruction of the Aquilonian outpost of Venarium. After its demise, he was struck by wanderlust and began the adventures chronicled by Howard, encountering skulking monsters, evil wizards, tavern wenches, and beautiful princesses. He roamed throughout the Hyborian Age nations as a thief, outlaw, mercenary, and pirate. As he grew older, he began commanding larger units of men and escalating his ambitions. In his forties, he seized the crown of the tyrannical king of Aquilonia, the most powerful kingdom of the Hyborian Age, having strangled the previous ruler on the steps of the throne. Conan's adventures often result in him performing heroic feats, though his motivation for doing so is largely to protect his own survival or for
