This book contains selections from Volumes I and II of the Anthology of American Literature, Seventh Edition. Carefully selected works introduce readers to America's literary heritage, from the colonial times of William Bradford and Anne Bradstreet to the contemporary era of Saul Bellow and Toni Morrison. It provides a wealth of additional contextual information surrounding the readings as well as the authors themselves. An expanded chronological chart and interaction time line help readers associate literary works with historical, political, technological, and cultural developments. Other coverage includes a continued emphasis on cultural plurality, including the contributions to the American literary canon made by women and minority authors, and a reflection of the changing nature of the canon of American Literature. For anyone who likes to read the writings of American Literature--and wants to understand the connection between those words and their place in American history.

This two-volume anthology represents America's literary heritage from colonial times through the American renaissance to the contemporary era of post-modernism. Volume I offers early contextual selections from Christopher Columbus and Gaspar Perez de Villagra, as well as an excerpt from the Iroquois League's Constitution of the Five Nations, and ends with an extensive selection of the poetry of Emily Dickinson. This anthology is best known for its useful pedagogy, including extensive and straightforward headnotes and introductions, as well as its balanced approach to editorial selection process.

The one-volume concise edition provides a varied representation of writers who give voice to the American experience. Although the concise edition offers fewer complete long works than the two-volume set, still included are Franklin, The Autobiography; Melville, Billy Budd; Miller, Death of a Salesman; and Twain, Adventures of Huckleberry Finn.
