In today's competitive job market, if your cover letter doesn't grab the interviewer's attention, he or she may never even glance at your resume. No-Nonsense Cover Letters gives you the powerful practical tools to write "attention grabbing" cover letters that complement your resume and get you more interviews and job offers. The book begins with a thorough but easy-to-understand explanation of the key elements that are vital to creating "attention grabbing" letters including: why writing a cover letter is about selling yourself; how to craft targeted cover letters; when to use bullets or paragraphs; and creating E-letters for today's E-search environment. Subsequent chapters offer tips on writing winning cover letters for opportunities for virtually every profession.

Designed as the comprehensive guide to cover letter preparation, the 272-page book shows examples of exciting and door-opening cover letters. The main section of the book shows cover letters by field and industry. For example, job hunters in the accounting field will find examples of cover letters used to blow doors open in the accounting, banking, and financial community. From aviation, to computer operations, to management, to sales, to transportation, cover letters tailored to specific fields are illustrated which can be used as "models" or "templates" for those involved in a job hunt. But what if a job hunter is changing careers or doesn't need a cover letter targeting a specific field or functional area? There's a section showing examples of all-purpose cover letters, career-change cover letters, cover letters for entrepreneurs, and cover letters for those seeking their first job. For those seeking advice on how to respond to ads, how to handle questions about salary requirements, how to request consideration for multiple job openings in the organization, and how to write letters for special situations, there's a section entitled "Sixteen Commonly Asked Questions About Cover Letters (and Job Hunting)."

Write the perfect cover letter every time! With fewer job opportunities and more applicants, just being qualified isn't enough to get the job you want. So how can you separate yourself from the pack? With the perfect cover letter, of course! With so much riding on it, a cover letter that attracts-and holds-the attention of your prospective employer is essential. This practical how-to manual shows you step by step how to create highly effective letters designed to get the interview you want. Today's economy leaves little room for second chances in the job market. Hiring managers are swamped with applications. What are you doing to rise to the top of the pile and get noticed? If it isn't creating a cover letter driven by facts and filled with punch, you aren't doing enough. The cover letter is often overlooked as a key marketing tool -- the perfect introduction. It can be blank and uninteresting or it can offer the potential employer exactly what they are seeking. Don't overlook this simple step that can improve your chances over other candidates. This book walks you through the various elements of a good cover letter, taking you through each step with plenty of examples to show exactly what you need to know to create the best cover letter over and over again. Make yours the one that brings the light of relief into the recruiter's eye as they see the perfect candidate. At just over a hundred pages, this concise, easy to read guide is full of professional information that will make your job search take off.

Cover letters that get noticed, get read, and get the interview! In the newest edition of his classic cover letter guide, job search expert Martin Yate shows you how to dramatically increase your chance of landing an interview. The key, as Yate explains, is to use language drawn from the job posting itself, words that will send your application to the top of database searches. In this completely updated guide, you'll find numerous sample cover letters, along with Yate's tried and proven methods to: Determine relevant keywords to get attention--and use them effectively Clearly display your personal brand and the transferable skills you bring to the job Find the right contact information that gets your material in front of decision-making managers and recruiters Use social media sites such as LinkedIn to create an effective online profile and build professional and personal networks With Martin Yate's expert advice, you'll create unique and compelling cover letters that will grab employers' attention and get you in the door!

A book containing resumes and cover letters of sales professionals and individuals trying to get into sales--as well as resumes and cover letters of individuals seeking to transition from sales into other types of employment. Many resumes show people changing from one type of sales to another, such as from copier sales to pharmaceutical sales. All the resumes and cover letters were used in real job campaigns and actually worked. A targeted, focused book specifically for sales professionals whose resumes and cover letters must be "a cut above" the ordinary job hunter's resume. (If the resume and cover letter of a sales professional doesn't sell, then how good could he or she be on the job?) See "pictures" or strategic blueprints of successful job campaigns when you read the companion cover letters and resumes of people "on the move" in sales careers. The Table of Contents is designed to show individuals in numerous types of sales activities including advertising, consumer products sales, financial services sales, food industry sales, furniture industry sales, medical sales, pharmaceutical sales, office equipment sales, real estate sales, retail sales, and many more. In many instances, the job hunter is seeking a career change such as a change from sales to sales management, or from sales to something else entirely different. A word of advice from Editor Anne McKinney: "If you want to enter the sales field or advance in the field, you don't need just any resume book. You need an industry-specific resume book! You will love this book targeted specifically to the sales field. Every resume and cover letter we put in a Real-Resumes Series book has been tested and proven in the real job market. Don't play games with your career. Your choice of a resume book is one of the most important career decisions you will ever make." Praise for this book and other books in the Real-Resumes Series: "A great idea come true. Real resumes and cover letters for sales professionals and resumes that can be tailored to individual needs by substituting personal information. Each double page contains a resume and suitable cover letter. In these days of information overload, a snappy letter and a sharp resume can win through. Very helpful. Impressive, with sophisticated, persuasive, and nuanced guidance." --The Book Reader "These excellent new guides don't just provide the usual coverage on how to write a resume. They provide industry-specific examples, industry-specific tips and cautions, and industry-specific strategies based on real-world resumes. Since many technical types aren't writers, this comes as a special gift; select a winning format, plug in your background specs, and away you go. It's that easy--with Real-Resumes in hand."-- The Midwest Book Review "Distinguished by its highly readable samples...essential for library collections." - Library Journal Testimonials from people who have successfully used this book: "Thanks to the guidance in this book, I was able to move from office equipment sales to medical sales, and I am thankful every day for the improved compensation structure and promotional opportunities." J. Barlow "I wanted to break into sales but didn't know how. I used the tips in this book to show off my potential and I landed a job in the sports industry. My dream job materialized because of the help I received from the Real-Resumes Series." P. Atlakos
