So, you want to be a principal? Are you a new principal who could benefit from the wisdom of a successful four-time principal? Could you use help preparing for a school administrator job interview? Then this is the book for you. In *The Aspiring Principal 50*, school leadership expert Baruti Kafele presents reflective questions aimed at assisting both new and aspiring school leaders as they work to become effective school leaders and consider making a leap to a leadership position, respectively. This book will help aspiring principals determine whether "The Principal" is truly who they want to be and help new principals grow and thrive in the principalship. Additionally, the book contains an entire chapter devoted to preparing for the school administrator job interview. Kafele infuses the book from beginning to end with succinct advice on everything from remaining focused on the principal's number one priority--student achievement--to addressing maintenance concerns, managing budget allocations, and ensuring that the school's website puts the school in the best possible light. With *The Aspiring Principal 50*, you can increase the likelihood that your tenure as principal will be a successful, beneficial, and healthful one.

You're an Assistant Principal. Whatever your status--the sole AP in your school, one of two or more APs in your school, a career AP, an AP aspiring to the principalship--yours is one of the most misunderstood and underutilized positions in education. Positioned between teachers and the principal, you are an instructional leader. However, you are not the leader of the school. Therefore, you must carefully navigate your way to ensure that you thrive in your role without "stepping on the toes" of your principal. In *The Assistant Principal 50*, award-winning, four-time principal Baruti Kafele presents reflective questions that encompass the breadth and depth of the assistant principalship--from finding your leadership "lane" to thriving and being an asset to your principal. Kafele infuses the book (which also includes guidance and insights for principals and aspiring assistant principals) from beginning to end with personal anecdotes and accounts of both failures and successes from his years as an assistant principal. He arms you with tools and insights that will drive you to view the assistant principalship as critical to the climate and culture of your school as well as to student achievement. You, assistant principal, play a critical role in your school's success. The questions that Kafele asks you to consider will aid you as you hone your leadership skills toward becoming an effective leader in your school.

Written for the prospective and practicing assistant principal, this book is both comprehensive and practical. It includes a strong pedagogical approach, with chapter-opening Focus Questions, pull quotes, stories and vignettes, self-assessment inventories, annotated bibliographies, sample letters.

The COVID-19 pandemic has introduced a new paradigm in education that has forced school management teams to re-imagine their curricula delivery functions and obligations during and post COVID-19. Now there are concerns about the state to which curriculum delivery in schools is likely to become planned, implemented, and managed. Investigating the Roles of School Management Teams in Curriculum Delivery improves the quality of planning, implementation, and management of curriculum delivery to advance the quality of teaching and learning in schools. Particularly, it envisages innovative strategies, best practices, and addresses problems in the planning, implementation, and delivery of curricula by school management teams. Covering topics such as curriculum delivery theory, curriculum delivery in planning, implementation, and management during and post COVID-19; curriculum delivery in assessment and alternative assessment; and reimagining inclusivity in curriculum delivery, this edited book is essential for departmental heads, deputy principals, education district officials, department of basic education curriculum designers, instructional designers, administrators, academicians, university teachers, researchers, and post-graduate students.

Recent changes in policy and law, along with advances in research, are making it necessary for an increasing number of school psychologists, special educators, and teacher consultants to develop skills in areas other than psychoeducational assessment. In response to this need, many professionals and students are expanding their careers to include the field of instructional consultation -- the synthesis of school- based consultation techniques and a solid knowledge of effective instructional practices. This book examines the major themes of instruction and gives a step-by-step outline of the consultation process from referral to the final report.
