all sound great, these guys where the ultimate garage rock band out of the uk, grant it the velvet underground was the ultimate 60s punk sounding band with a lot more talent the deviants served there purpose!!!!

[The Deviants - Ptooff! | Releases, Reviews, Credits | Discogs](#)

"Deviants" by Maureen McGowan is not my cup of tea, but it wasn't horrible. Not the best way to start a review but I like to be upfront, I didn't like the book for the first half of it. It is a teen girl scifi dystopia novel similar to "Under the Never Sky" by Veronica Rossi. It is about the same level in terms of writing skills.
