But humans are slower and weaker than these animals, so what stops these beasts from snacking on every clothed ape they come across? There are a few likely reasons why they don't attack more often.

Humans are practically defenseless. Why don't wild animals attack us more?

But if you think about it, too often the animals celebrated in "Life" are saving people from human violence (at worst) or human inconsideration (at best). It easily could be titled, "People Do the ..."
