Abstract. There are a lot of people  
who know how to construct a  
sentence, but who, the moment they  
start to write an essay, get things  
wrong, producing work that is marred  
by mistakes or by sentences that do  
not quite make sense.

grammatical concepts and stylistic choices by taking apart expert writers' sentences as illustrations and asking students to practice crafting and revising their own. Examples throughout the text are excerpted from 11 readings collected in an anthology at the end of the book, so you can teach style in the context of a larger argument or narrative. With four new model texts, expanded explanations of grammatical concepts, and new coverage of figures of speech, the third edition invites students to experiment with sentence structures that make writing stronger.

Grounded in the art of writing, *The Well-Crafted Sentence* zeroes in on the building block of great prose: the sentence. With a friendly,

approachable, and elegant tone, Nora Bacon shows the benefits of attention to style and offers a range of revision strategies that give students the tools to strengthen and develop their writing. Giving students the opportunity to see successful rhetorical choices at work in writing they admire, the text includes a brief anthology of readings by ten accomplished stylists, five of them new to this edition. Examples throughout the text are drawn from these model pieces, as are integrated exercises that help students apply concepts to their own writing. Additionally, a new first chapter, Approaches to Style, introduces students to the concept of style. Affordable and brief, The Well-Crafted Sentence works as a core classroom text or as a supplement.

## Writer's Guide To Style

Based on the bestselling series from The Great Courses, *Building Great Sentences* celebrates the sheer joy of language—and will forever change the way you read and write. Great writing begins with the sentence. Whether it 's two words ( “ Jesus wept. ” ) or William Faulkner ' s 1,287-word sentence in *Absalom!* *Absalom!*, sentences have the power to captivate, entertain, motivate, educate, and, most importantly, delight. Yet, the sentence-oriented approach to writing is too often overlooked in favor of bland economy. *Building Great Sentences* teaches you to write better sentences by luxuriating in the pleasures of language. Award-winning Professor Brooks Landon draws on examples from masters of long, elegant

sentences—including Don DeLillo, Virginia Woolf, Joan Didion, and Samuel Johnson—to reveal the mechanics of how language works on thoughts and emotions, providing the tools to write powerful, more effective sentences.

Aimed at students wishing to improve their writing skills, this guide deals with the key basics of grammar, punctuation and spelling while also showing students how to construct a sentence, how to build a paragraph and how to structure an essay. This third edition includes an expanded 'Spot the Mistake' section.

This book explores what writing for pleasure means, and how it can be

realised as a much-needed pedagogy whose aim is to develop children, young people, and their teachers as extraordinary and life-long writers. The approach described is grounded in what global research has long been telling us are the most effective ways of teaching writing and contains a description of the authors' own research project into what exceptional teachers of writing do that makes the difference. The authors describe ways of building communities of committed and successful writers who write with purpose, power, and pleasure, and they underline the importance of the affective aspects of writing teaching, including promoting in apprentice writers a sense of self-efficacy, agency, self-regulation, volition, motivation, and writer-identity. They
