Headed up by Duncan Pritchard and Ayanda Mnyandu, ETC-Africa collectively have over 30 years' experience around environmental management, carbon footprint management, ecotourism and tourism route development. We are based in KwaZulu-Natal with project footprints across Africa.

~~Duncan Pritchard~~

Pritchard is a giant in his field, and very knowledgeable. This is easiest class I've ever taken. Lectures are posted as videos. The assignments are incredibly easy (like one post a week, and an online quiz directly taken from the slides).Essays graded really easily. 4 units for less than 1 hour a week of work.
