Amazon.com: Edgar Cayce: An American Prophet ...

e Edgar Cayce (/ [keɪsɪ] /; 18 March 1877 – 3 January 1945) was an American clairvoyant who claimed, uniquely, to channel his own higher self. Cayce's channeling sessions happened in a trance state that he would induce with help from his friend Al Layne or his wife until later in life, when he became accustomed enough to do so on his own.

Edgar Cayce - Wikipedia

An account of the life and prophecies of the American mystic who accomplished medical cures and foresaw future events

For over seventy-five years, the prophecies and readings of Edgar Cayce-- The Sleeping Prophet-- have inspired millions of people around the world, and been the subject of hundreds of books. Over fifty years after his death, Cayce is still regarded as the father of the new age movement, and the foremost psychic of the twentieth century. His thoughts on the soul's journey, past lives, dreams, ancient civilizations, and astrology are still closely studied and followed by practitioners in these fields. But until now, only those who knew and studied him have been able to tell Cayce's story and philosophy. From Jess Stearn's The Sleeping Prophet to Thomas Sugrue's There Is a River, many bestselling books have sold millions of copies and touched many lives. Now, for the first time, Edgar Cayce tells his story in his own words. Only recently discovered, this new memoir delivers Cayce's important message to the world at a most crucial time, the dawn of the twenty-first century. In this personal, moving story, readers learn how Cayce felt about his amazing powers. Here Cayce speaks about the angelic presence that visited his childhood Kentucky home and told him that he would become a healer to millions. We also learn about his extraordinary childhood ability to learn his school lessons simply by sleeping on his books. Cayce also addresses the devastating throat paralysis that he miraculously overcame, and how he ultimately realized that his powers could only be used to help and enable people, and not for personal profit. Cayce even gives a "behind the scenes" glimpse at his many psychic readings. The combination of ability and humility, compassion and caring turned Cayce from social outcast to world-renowned psychic healer. Throughout his life, Edgar Cayce's was the voice people turned to for advice on issues as diverse as health and healing and philosophy and world issues. Now, Cayce speaks once more on these issues and delivers his ultimate message to humanity for the first time. My Life as a Seer brings to life the emotional frustrations, motivations, fears, and visions of the century's premier spiritualist.

There is perhaps no modern psychic more fascinating than Edgar Cayce, and no better authors to explore the intricate details and eye-opening stories of the people who received his readings than Sidney and Nancy Kirkpatrick. The Kirkpatricks, with decades of experience and research, take us on a journey into the archives and history of these psychic passages, finding the most interesting case studies and exploring the most astounding results of the Cayce work in so many people's lives. Their findings are presented in a way that reads like a whodunit that you can't put down!

A new edition of the landmark, worldwide bestseller on the life of the famed medical clairvoyant and founding father of the New Age: Edgar Cayce. Edgar Cayce (1877-1945) is known to millions today as the grandfather of the New Age. A medical clairvoyant, psychic, and Christian mystic, Cayce provided medical, psychological, and spiritual advice to thousands of people who swore by the effectiveness of his trance-based readings. But Cayce was not always a household name. When a young, skeptical journalist named Thomas Sugrue first met Cayce in 1927 the world had not yet heard of the "sleeping prophet." During years of unique access, Sugrue completed his landmark biography, which on its publication in 1942 brought national attention to Cayce and stands as the sole record written during the seer's lifetime. This edition includes a new introduction by historian Mitch Horowitz that highlights the enduring significance of Cayce's message and the role this book played in its dissemination.

One of the most remarkable stories of the twentieth century about one of the most incredible men who ever lived: Edgar Cayce, a Kentucky farm boy whose psychic powers healed thousands, touched countless lives, and inspired the dawn of the New Age. For more than forty years, Edgar Cayce (1877-1945), the 'sleeping prophet,' regularly exhibited an astonishing psychic ability. From an altered state, he was able to read minds and souls, diagnose thousands of illnesses, successfully prescribe remedies, see into the past and the future, and tap into a source of universal knowledge where such information resides--a source Cayce said is available to us all. For anyone who has heard of Edgar Cayce-and his name is familiar to millions--here is a concise, reliable, immensely readable introduction to his life, work, and message. In Edgar Cayce's ESP, his story is told by writer Kevin Todeschi, an authority on Cayce's work and the director of the popular educational organization Cayce founded, the Association for Research and Enlightenment. Drawing upon more than 14,000 case histories and readings, Todeschi presents a wealth of proof of Cayce's psychic abilities and the effects they had on the lives of his contemporaries. Todeschi focuses especially on the character of the modest, generous Cayce himself, a man who started out in life as a sensitive, Bible-reading Kentucky farm boy and who grew up to become an unlikely prophet of the New Age and the most famous psychic in American history.

A complete guide to the work of the remarkable twentieth-century seer Edgar Cayce, featuring Cayce's most intriguing and influential readings, and a biographical introduction to his life. Edgar Cayce is one of the most mysterious men of the twentieth century. Sometimes called "The Sleeping Prophet," he was prone to pick up taglines that reflected the sensationalistic side of his work rather than its real depth and meaning. The core of his life's work was actually being an intuitive healer and Christian mystic. More than one hundred books have been written about his teachings and his life story. Yet no book has combined insightful commentary with lengthy, verbatim selections of the full range of his contribution to holistic healing, practical spirituality, and the psychology of the soul. The Essential Edgar Cayce gives the reader an understanding of each major area in which Cayce helped pioneer the modern holistic living movement, as well as the contemporary popular approach to spirituality that weaves together the best of Eastern and Western religious traditions. The book's substantial introduction frames Cayce and his life's work, and is followed by eight topical sections in which commentaries by Mark Thurston guide the reader through some of the seer's most significant readings. Here is a truly integral portrait of the life and work of one of the twentieth century's most fascinating spiritual figures.
