Ego Trip's Book of Rap Lists is more popular than racism! Hip hop is huge, and it's time someone wrote it all down. And got it all right. With over 25 aggregate years of interviews, and virtually every hip hop single, remix and album ever recorded at their disposal, the highly respected Ego Trip staff are the ones to do it. The Book of Rap Lists runs the gamut of hip hop information. This is an exhaustive, indispensable and completely irreverent bible of true hip hip knowledge.

Documents the history of rap music with information on art, lyrics, production, fashion, performances, albums, and singles

Ferociously intelligent one moment, willfully smart-ass the next, ego trip's Big Book of Racism is a glorious, hilarious conflation of the racial undercurrents that affect contemporary culture at every turn. This one-of-a-kind encounter with the absurdities, complexities, and nuances of race relations is brought to you by five writers of color whose groundbreaking independent magazine, ego trip, has been called "the world's rawest, stinkiest, funniest magazine" by Spin. Filled with enough testifying and truth to satisfy even the good Reverend Sharpton, ego trip's Big Book of Racism is a riotous and revolutionary look at race and popular culture

that's sure to spark controversy and ignite debate.

A New York Times–bestselling, in-depth exploration of the most pivotal moments in rap music from 1979 to 2014. Here's what *The Rap Year Book* does: It takes readers from 1979, widely regarded as the moment rap became recognized as part of the cultural and musical landscape, and comes right up to the present, with Shea Serrano hilariously discussing, debating, and deconstructing the most important rap song year by year. Serrano also examines the most important moments that surround the history and culture of rap music—from artists' backgrounds to issues of race, the rise of hip-hop, and the struggles among its major players—both personal and professional. Covering East Coast and West Coast, famous rapper feuds, chart toppers, and show stoppers, *The Rap Year Book* is an in-depth look at the most influential genre of music to come out of the last generation. Picked by *Billboard* as One of the 100 Greatest Music Books of All-Time Pitchfork Book Club's first selection

does eminem matter? On assignment for his first cover story for *Rolling Stone*, the very first national cover story on Eminem, Anthony Bozza met a young blond kid, a rapper who would soon take the country by storm. But back in 1999, Eminem was just beginning to make waves among suburban white teenagers as his first single, "My Name Is," went into heavy rotation on MTV. Who could have predicted that in a mere two years, Eminem would become the most reviled and controversial hip-hop figure ever? Or that twelve months after that, Eminem would sit firmly at the pinnacle of American celebrity, a Grammy winner many times over and the recipient of an Oscar. *Whatever You Say I Am* attempts to answer this question and many more. Since their first meeting, Bozza has been given a level of access to Eminem that no other journalist has enjoyed. In *Whatever You Say I Am*, original, never-before-published text from Bozza's interviews with Eminem are combined with the insight of numerous hip-hop figures, music critics, journalists, and members of the Eminem camp to look behind the mask of this enigmatic celebrity. With an eye toward Eminem's place in American popular culture, Bozza creates a thoughtful portrait of one of the most successful artists of our time. This is so much more than a biography of a thoroughly well-documented life. It is a close-up look at a conflicted figure who has somehow spoken to the heart of America.

From a talented young journalist on the rise, a deeply reported, timely new biography of the Notorious B.I.G., publishing for what would have been his 50th birthday *The Notorious B.I.G.* was one of the most charismatic and talented artists of the 1990s. Born Christopher Wallace and raised in Clinton Hill/Bed Stuy, Brooklyn, Biggie lived an almost archetypal rap life: young trouble, drug dealing, guns, prison, a giant hit record, the wealth and international superstardom that came with it, then an early violent death. Biggie released his first record, *Ready to Die*, in 1994, when he was only 22. Less than three years later, he was killed just days before the planned release of his second record *Life After Death*. Journalist Justin Tinsley's *It Was All a Dream* is a fresh, insightful telling of the life beyond the legend. It is based on extensive interviews with those who knew and loved Biggie, including neighbors, friends, DJs, party promoters, and journalists. And it places Biggie's life in context, both within the history of rap but also the wider cultural and political forces that shaped him, including Caribbean immigration, the Reagan era

Read Book Ego Trips Book Of Rap Lists

disinvestment in public education, street life, the war on drugs, mass incarceration, and the booming, creative, and influential 1990s music industry. This is the story of where Biggie came from, the forces that shaped him, and the legacy he has left behind.

Considers the misappropriation of African American popular culture through various genres, largely Hip Hop, to argue that while such cultural creations have the potential to be healing agents, they are still exploited -often with the complicity of African Americans- for commercial purposes and to maintain white ruling class hegemony.

The Merciless Book of Metal Lists is an irreverent and illustrated compendium of the most random, funny, and challenging information about Heavy Metal from the last 40 years. You want to know which Metal albums “jumped the shark”? Curious to know what non-Metal bands Metalheads love, which album covers feature goats, embarrassing Metal fashion faux pas, and the unfortunate original names Metal bands started with? This is the book. In addition to some highly opinionated lists, this energetically designed volume features quotes, short essays, iconic four-color photography, and contributions from notable metal personalities, including Eddie Trunk, Gary Holt (Exodus), and Scott Ian (Anthrax, S.O.D.), among others. Praise for The Merciless Book of Metal Lists: “Authors Howie Abrams and Sacha Jenkins have a fun time in this ‘most opinionated compendium ever written concerning heavy metal.’ The writers are die-hard fans and knowledgeable beyond reproach...the trivia and factoids here will help you hold your own at the next Dokken after-party.” —Newsday.com

Compiled by legendary hip-hop designer Cey Adams, DEFinition: The Art and Design of Hip-Hop is the first comprehensive anthology published in the name of the genre during the last thirty-five years. This landmark volume celebrates a culture that has made its mark on everything from fine art to the label on a bottle of Hawaiian Punch, including fashion, automobiles, movies, television, advertising, and sneakers. It highlights the careers and artwork of such crucial hip-hop elders as Lady Pink, Haze, Run-DMC, Dapper Dan, Buddy Esquire, Spike Lee, and Snoop Dogg as well as contemporary giants like Kehinde Wiley, Mr. Cartoon, Shepard Fairey, Dalek, Mike Thompson, Jor One, and Claw Money, and dozens of others, DEFinition examines the evolution of hip-hop as a visual phenomenon with the historical depth that only an insider like Cey Adams can provide. Featuring more than 200 stunning photographs and illustrations as well as compelling essays by some of hip-hop's most seasoned voices, DEFinition illuminates the culture in a form that speaks to aficionados and newcomers alike.
