The "dazzling" and essential portrayal of 1960s America from the author of South and West and The Year of Magical Thinking (The New York Times). Capturing the tumultuous landscape of the United States, and in particular California, during a pivotal era of social change, the first work of nonfiction from one of American literature's most distinctive prose stylists is a modern classic. In twenty razor-sharp essays that redefined the art of journalism, National Book Award–winning author Joan Didion reports on a society gripped by a deep generational divide, from the "misplaced children" dropping acid in San Francisco's Haight-Ashbury district to Hollywood legend John Wayne filming his first picture after a bout with cancer. She paints indelible portraits of reclusive billionaire Howard Hughes and folk singer Joan Baez, "a personality before she was entirely a person," and takes readers on eye-opening journeys to Death Valley, Hawaii, and Las Vegas, "the most extreme and allegorical of American settlements." First published in 1968, Slouching Towards Bethlehem has been heralded by the New York Times Book Review as "a rare display of some of the best prose written today in this country" and named to Time magazine's list of the one hundred best and most influential nonfiction books. It is the definitive account of a terrifying and transformative decade in American history whose discordant reverberations continue to sound a half-century later.

The visionary author's masterpiece pulls us—along with her Black female hero—through time to face the horrors of slavery and explore the impacts of racism, sexism, and white supremacy then and now. Dana, a modern black woman, is celebrating her twenty-sixth birthday with her new husband when she is snatched abruptly from her home in California and transported to the antebellum South. Rufus, the white son of a plantation owner, is drowning, and Dana has been summoned to save him. Dana is drawn back repeatedly through time to the slave quarters, and each time the stay grows longer, more arduous, and more dangerous until it is uncertain whether or not Dana's life will end, long before it has a chance to begin.

We all have a story to tell. We often judge our own stories as being good or bad, right or wrong. The truth is, each and every one of them not only holds meaning for us but for those around us as well. Chicken Soup for The Teenage Soul IV is filled with such stories: what it really means to be a teenager in today's world.

Volumes in Writing Spaces: Readings on Writing offer multiple perspectives on a wide-range of topics about writing, much like the model made famous by Wendy Bishop's "The Subject Is . . ." series. In each chapter, authors present their unique views, insights, and strategies for writing by addressing the undergraduate reader directly. Drawing on their own experiences, these teachers-as-writers invite students to join in the larger conversation about developing nearly every aspect of craft of writing. Consequently, each essay functions as a standalone text that can easily complement other selected readings in writing or writing-intensive courses across the disciplines at any level. Topics in Volume 1 of the series include academic writing, how to interpret writing assignments, motives for writing, rhetorical analysis, revision, invention, writing centers, argumentation, narrative, reflective writing, Wikipedia, patchwriting, collaboration, and genres.

This indispensable guide takes students through each step of the essay writing process, enabling them to tackle written assignments with confidence. Students will develop their ability to analyse complex concepts, evaluate and critically engage with arguments, communicate their ideas clearly and concisely and generate more ideas of their own. Chapters are short and succinct and cover topics such as reading purposefully, note-taking, essay writing in exams and avoiding plagiarism. Packed with practical activities and handy hints which students can apply to their own writing, this is an ideal resource for students looking to improve the quality and clarity of their academic writing. This book will be a source of guidance and inspiration for students of all disciplines and levels who need to write essays as part of their course. New to this Edition: - Brand new chapters on topics such as learning from feedback, finding your voice and using the right vocabulary - Expanded companion website featuring videos, interactive exercises, sample essays and lecturer resources - Exclusive web-only chapter on improving your memory
