**Facing the Other Way: The Story of 4AD by Martin Aston** —

The story of 4AD is a cautionary tale of how arduous it is to retain one's principles within the music industry, and it's one told in great depth by Martin Aston in his new, thrilling, but necessarily sombre history of the label, Facing The Other Way. For Watts-Russell, it's a tough read: the former boss is clearly a little uncomfortable that he's become the focus of a book about a label that prided itself on its 'artists over execs' approach.

**Facing the Other Way: The Story of 4AD to explore** —

Facing the Other Way: The Story Of 4AD is the first and definitive account of the iconic British record label. From 4AD's inception in 1980, at the dawn of Britain's historically influential post-punk movement, the label's enigmatic founder Ivo Watts-Russell pursued a particularly original, singular and obsessive vision, an artistic venture rather than a commercial exercise, eschewing trends and incorporating equally groundbreaking and stunning record sleeve design.
