Enter: the rom-com. I adore reading romantic comedies because they combine my two favorite things: swoony crushes and laugh-out-loud writing. (I even wrote my own rom-com, Playing With Matches, about a young matchmaker whose romantic life is going up in flames.) Here are 9 of my favorites that will restore your faith in love.

120 Full-Color Prints of Victorian-Era Paintings of Fairies, Angels, and Other Benevolent Spirits

A collection of 120 full-color prints of Victorian-era paintings of fairies, angels, and other benevolent spirits. Includes brief biographic entries on the artists and an alphabetic list of the works. Accompanying CD-ROM contains royalty-free images in JPEG format with Dover Design Manager software for browsing, printing, cropping, and rotating the images.

Powerful practitioners of wizardry and dragons — those vigilant guardians of fair maidens and treasures — are featured in this exciting CD-ROM and book collection. 190 original, black-and-white illustrations of smoke- and fire-breathing dragons, scaly creatures of the sea, and wizards with long beards and flowing robes.

Handpicked from ancient texts, architectural details, rare pictographs, and other sources, 200 vector-based images of dragons, wizards, fairies, elves, and other creatures from myth and legend can be manipulated easily without losing image quality.

418 black-and-white illustrations range from prehistoric pictographs and medieval gargoyles to nightmarish visions — fish with human legs, birds with human faces, haunting masks from Africa, and a host of others.

From a petite princess to frogs that fly -- these 159 beguiling images will lend a magical touch wherever they're used. 85 black-and-white and 74 full-color illustrations.

(back cover) From beautiful and graceful elven queens to disfigured and bloodthirsty goblins, here is all the live reference material you'll need to give your fantasy art the edge in a competitive market. Over 600 detailed color photographs serve as references for drawing every kind of fantasy figure, all in appropriate costumes, plus many in detailed action sequences Packed with poses from unusual angles and perspectives, close-ups of facial expressions, and difficult details such as hands and accessories Features tips on creating dramatic lighting effects, interesting compositions, and realistic expressions with a step-by-step demonstration of a finished painting based on models from the book The bonus CD-ROM allows illustrators to work directly from all photographs without need to scan them Peter Evans has been a costume designer and prop maker in the fantasy industry for over 20 years. He has written for fantasy magazines and comics and his work can be seen in many films " (Willow, The Princess Brde) "television shows, and theater productions. Peter lives and works in London. Glenn Fabry is legendary in the fantasy art world for his amazing paintings. He is the author of the best-selling " Anatomy for Fantasy Artists, " published in North America by Barron's.

Nearly 150 beguiling images — dozens of them in full color — feature Rhine maidens and sea fairies as well as scores of winsome mermaids. Sources for this unique collection include Victorian and Pre-Raphaelite art, images from the Golden Age of Illustration, and stories such as Hans Christian Andersen's The Little Mermaid, Friedrich de la Motte Fouqué's Undine, and Wagner's Ring cycle.

From the depths of man's imagination comes a mesmerizing menagerie of fantastic beasts — griffins, werewolves, serpent monsters, dragons, mermaids, and other fabulous creatures of land, sea, and air. An invaluable source of royalty-free art for artists and hobbyists, this splendid archive will delight anyone interested in creatures of myth and legend. 192 black-and-white illustrations.

The journey begins in a strange, barren landscape. A mystifying world of color and motion carries you from the sublime to the seemingly innocuous—a studio apartment with an answering machine, a painting, a wall clock, and a window. But the clock spins erratically, the painting keeps transforming, the phone machine won't work, bill collectors are knocking on the door and there's not a dime in the place. You confront increasingly complex challenges and difficult obstacles en route to your objective. System Requirements: 486/33MHz processor or better; Windows 3.1; 4MB RAM (8MB recommended); 5MB free HD space; 14" SVGA monitor; 256 color or higher graphics card; double-speed CD-ROM drive; MPC sound card; speakers; keyboard; mouse.

* Create your own dragons to slay, orcs to kill, and every warrior, weapon, and warlock you could possibly conceive using the thousands of possible designs included on the CD. It's estimated the fantasy market has over nine million consumers. Fantasy enthusiasts who yearn to create their own alternate realities can do so easily with this indispensable resource. This book-and-CD combo provides high-resolution clip art and digital instruction allowing users to create personalized artwork. * Well-known fantasy artist Kevin Crossley created art for the CD. Weapons, characters, equipment, and landscapes are all included in a variety of customizable styles.
