physical needs ... it all happens on his command. So when a woman shows up at his door and reminds him of a promise they made each other when they were just ten years old, it shouldn't have the ability to rock his entire world. Yet it does. Because Mia Monroe wasn't just his childhood best friend, she wasn't just the girl he lost his virginity to and hasn't seen since, she's the one exception to his perfect control. And piece by piece, she's about to tear apart his carefully laid plans. Filthy Beautiful Forever is book 4 in the Filthy Beautiful Lies series, but can be read as a standalone.

Can she trust Pace when he says that his days of hitting it and quitting it are in his past?

New York Times and USA Today bestselling FILTHY BEAUTIFUL LIES series, which was named The Next Fifty by Newsweek Magazine. This bundled set contains all four books in the series. FILTHY BEAUTIFUL LIES I have no idea why she auctioned off her virginity for a cool mill. Regardless, I'm now the proud new owner of a perfectly intact hymen. A lot of good that will do me. I have certain tastes, certain sexual proclivities. My cock is a bit more discriminatory than most. And training a virgin takes finesse and patience - both of which I lack. Sophie Evans has been backed into a corner. With her sister's life hanging in the balance, the only choice is to claw her way out, even if that means selling her virginity to the highest bidder at an exclusive erotic club. When Colton Drake takes her home, she quickly learns nothing is as it seems with this beautifully troubled man. Being with him poses challenges she never expected, and pushes her to want things she never anticipated. FILTHY BEAUTIFUL LOVE When Colton Drake paid one million dollars for Sophie Evan's virginity, the last thing he expected was to fall for her - hard - and then to watch her walk away. But when Sophie discovers that Colton has been lying to her, it is going to take more than money to get her back. Colton won't be deterred. Sophie is his - she just doesn't know it yet. Can he seal the deal and rock her world so thoroughly she'll never want to leave again, or is it too late... FILTHY BEAUTIFUL LUST Pace

Drake loves sex, and he makes no apology for getting what he wants, when he wants it. But when he meets single mom Kylie, he's enthralled by her and begins to question his standard operating procedure. Kylie's depth and determination make the hookups that fill his weekends seem empty and shallow. She doesn't want or need anyone to take care of her and that only makes him want to care for her more. Kylie's trust in men has vanished. The last man she was with played ding-dong-ditch-it with her uterus and now the infant son he left her to raise alone is the only man she has time for. Pace wants to prove to her that he is one of the good guys, but can she really trust that his days of hitting it and quitting it are gone forever? FILTHY BEAUTIFUL FOREVER Collins Drake exercises control over all facets of his life. From his business, to his relationships, to satisfying his physical needs ... it all happens on his command. the wrong number. Oops. Not my finest moment—but I have nothing to be ashamed of. She thought I was no better, and I quote, than the knuckle-dragging douche-bags she was never dating again. It was a stupid dare from a girl I'd met online, but since she'd given me a fake number, I didn't feel bad that my interests were suddenly focused elsewhere—on the fiery and sharp-tongued, Peyton that I found myself sparring with over text for the rest of the evening. The following day, my case of mistaken identity came back to bite me in the banana. When I strolled into the office, I was introduced to Peyton as the new client I needed to win over. The Peyton, in case you're not tracking. And let's just say she had my full attention. Brains? Check. Beauty? Oh yeah. And the best part? She hated me on sight. Dear God, do I love a challenge. Let the games begin.

A best-friends-to lovers standalone romance from New York Times bestselling author Kendall Ryan. She says she needs some help ... in the bedroom. Come again? No, really come again. Sweet, nerdy, lovable Keaton. She's my best friend and has been for years. Sure she likes numbers and math, and thinks doing other people's taxes is fun. And I like ... none of that stuff. She's obsessed with her cat and reads novels I'll never understand, and yet we just click. There's no one I'd rather share breakfast burritos with or binge watch hours of Netflix. She's my

person. And so when she takes off her glasses and asks me to help her improve her skills in the bedroom, I barely have to think about it. Of course I'll help her. There's no one better for the job. I've been there for her through everything, why should this be any different? But what happens when she's ready to take her new-found confidence and move on?

Last night was the most embarrassing night of my life. I was that girl. You know, the highly intoxicated chick celebrating her thirtieth birthday with her two best friends—who are happily married. And the more I drank, the more I wanted to do something reckless to celebrate. By reckless, I mean the sexy and alluring man dressed in a business suit standing near the bar. You know his type—tall, dark, handsome. I was sure he was out of my league, but I'd had just enough alcohol that things like that no longer seemed to matter. I'm not fat, mind you, but you can tell I like french fries, so there's that. He took me home, and I enjoyed the hottest birthday sex of my life. Well, until it came to a screeching and rather unwelcome halt. There's nothing quite like being interrupted mid-ride with a little voice asking, "What are you doing to my daddy?" Just kill me now . . . or so I thought. Come to find out, the man I rode like a bull at the rodeo is my new landlord.

comes a sexy new standalone novel. My tempting and very alpha friend Sterling Quinn is someone I consider off-limits. It's not just that we're friends, he's also cocky, confident, and British, which means he's a walking aphrodisiac. But lately he's been giving me the look. You know the one. When he thinks I'm not paying attention, and his gaze lingers for too long. When we start working together, that's when the sexual tension between us gets so thick, I want to hack through it with a machete. I want to make all these deep feelings I've harbored for him disappear, because there's no way this can end well. The lines between business and pleasure become irrevocably blurred, and I'm stuck between a rock and Sterling's very, very hard place. Rather than keep a level head about our growing attraction, Sterling wants to go all in, showing me just how explosive we can be together. But I've been around long enough to know that this British bad boy is more than my heart can handle. I'm not about to be cast aside like yesterday's underwear when he's done having fun. Sterling's never been told no, and he's not about to put his ego aside and play by my rules. But I never thought he'd fight so dirty.
