Good early selections from this work can be found in Monsters and Such (coll 1959) and The Best of Murray Leinster (coll 1978) edited by J J Pierce; more recently, First Contacts: The Essential Murray Leinster (coll 1998) ed Joe Rico and Planets of Adventure (coll 2003) tellingly focus almost entirely on works published between 1945 and about a decade later, the period of his clear-headed, companionable, formidable prime.
