The classic novel of fly fishing and spirituality, originally published in 1983. Since its publication in 1983, THE RIVER WHY has become a classic. David James Duncan's sweeping novel is a coming-of-age comedy about love, nature, and the quest for self-discovery, written in a voice as distinct and powerful as any in American letters. Gus Orviston is a young fly fisherman who leaves behind his comically schizoid family to find

his own path. Taking refuge in a remote cabin, he sets out in pursuit of the Pacific Northwest's elusive steelhead. But what begins as a physical quarry becomes a spiritual one as his quest for self-knowledge batters him with unforeseeable experiences. Profoundly reflective about our connection to nature and to one another, THE RIVER WHY is also a comedic rollercoaster. Like Gus, the reader emerges utterly changed, stripped bare by the journey Duncan so expertly navigates.

With little previous experience in the great outdoors, but with plucky courage, she planned and trained extensively. Sometimes alone and sometimes with strangers, she hiked for 43 days along the Ohio, Kanawha, and New Rivers. Misunderstandings and ingrained prejudice challenged the band of walkers as much as Mother Nature; however, angels in everyday clothes helped them overcome their personal limitations, bloody blisters, broken bones, and life-threatening situations. Eleanor and

Wynn is a gentle giant, a Vermont kid never happier than when his feet are in the water. Jack is more rugged, raised on a ranch in Colorado where sleeping under the stars and cooking on a fire came as naturally to him as breathing.
