The book which put Stevenson's name in the mouth of the ' man in the street', lifted him at a single bound to a place among men of the time and, by the still greater sensation which it created in America, led to the large income which soon afterwards he drew from the United States. The ear of a great public to whom his earlier writings were unknown was captured by this intense picture of the elements of good and evil in man's nature. It was hailed from pulpits and in the religious press as a great moral parable; though its moral quality, on close analysis, is seen to be more an illusion, due to the art of its writing, than the essence of the fable. Reduced to its simplest formula Jekyll and Hyde is a cry of terror at the potency for evil latent in the human soul. Such moral force as it has depends upon its assault on the nerves, not on its appeal to the heart. If not thus interpreted by the preachers of the time, it yet served the purpose of moving their hearers by the spectacle of the evil partner in the human ego, indulged in a moment ' when virtue slumbered,' coming in the end to destroy the good.

"Six interconnected stories that ask how far we will go to remake ourselves into the perfect human specimens, and how hard that will push the definition of human"--

In this new launch of a trilogy within the DC Icons universe, experience the origin story of a Super-Villain. This is the Harley Quinn backstory fans have been waiting for. When Harleen Quinzel scores an internship in a psych lab at Gotham University, she's more than ecstatic; she's desperate to make a Big Scientific Discovery that will land her a full-ride college scholarship and get her away from her abusive father. But when Harleen witnesses the way women are treated across STEM departments--and experiences harassment herself--she decides that revenge and justice are more important than her own dreams. Harleen finds her place in an intoxicating vigilante girl gang called the Reckoning, who creates chaos to inspire change. And when Harleen falls for another girl in the gang, it finally seems like she's found her true passions. But what starts off as pranks and mischief quickly turns deadly as one of the gang members is found murdered--and a terrifying conspiracy is uncovered that puts the life Harleen has worked so hard for at stake. Will she choose her future--or will she choose revenge? In this refreshingly feminist spin on the story of our favorite villainess, Harley Quinn: Reckoning traces Harleen's journey from precocious, revenge-obsessed teenage girl to a hardcore justice-seeker on her way to becoming the most captivating Super Villain of all time. This is one story that you won't be able to put down.

From the New York Times bestselling author of Crazy Rich Asians (the basis for the acclaimed major motion picture) and China Rich Girlfriend, here is the uproarious conclusion to the Crazy Rich Asians trilogy. Book Three of the Crazy Rich Asians Trilogy When Nicholas Young hears that his grandmother, Su Yi, is on her deathbed, he rushes to be by her bedside;but he's not alone. The entire Shang-Young clan has convened from all corners of the globe to stake claim on their matriarch's massive fortune. With each family member vying to inherit Tyersall Park;a trophy estate on 64 prime acres in the heart of Singapore;Nicholas's childhood home turns into a hotbed of speculation and sabotage. As her relatives fight over heirlooms, Astrid Leong is at the center of her own storm, desperately in love with her old sweetheart Charlie Wu, but tormented by her ex-husband;a man hell bent on destroying Astrid's reputation and relationship. Meanwhile Kitty Pong, married to China's second richest man, billionaire Jack Bing, still feels second best next to her new step-daughter, famous fashionista Colette Bing. A sweeping novel that takes us from the elegantly appointed mansions of Manila to the secluded private islands in the Sulu Sea, from a kidnapping at Hong Kong's most elite private school to a surprise marriage proposal at an Indian palace, caught on camera by the telephoto lenses of paparazzi, Kevin Kwan's hilarious, gloriously wicked new novel reveals the long-buried secrets of Asia's most privileged families and their rich people problems. Look for Kevin Kwan's latest novel, Sex & Vanity!

From the author of the New York Times bestseller The Inevitable;a sweeping vision of technology as a living force that can expand our individual potential In this provocative book, one of today's most respected thinkers turns the conversation about technology on its head by viewing technology as a natural system, an extension of biological evolution. By mapping the behavior of life, we paradoxically get a glimpse at where technology is headed-or "what it wants." Kevin Kelly offers a dozen trajectories for this near-living system. And as we align ourselves with technology's agenda, we can capture its colossal potential. This visionary and optimistic book explores how technology gives our lives greater meaning and is a must-read for anyone curious about the future.

"Stella loves books so much, she starts her own library--but then a storm threatens to destroy everything"--

"INSTANT #1 NEW YORK TIMES BESTSELLER" "INSTANT #1 INDIE BESTSELLER" "INSTANT USA TODAY BESTSELLER" "A REESE'S YA BOOK CLUB PICK" "Schwartz's magical novel is at once gripping and tender, and the intricate plot is engrossing as the reader tries to solve the mystery. She doesn't miss a beat in either the characterization or action, scattering clues with a delicate, precise hand. This is, in the end, the story of the anatomy of the human heart." - Booklist (starred review) Dana Schwartz's Anatomy: A Love Story is a gothic tale full of mystery and romance. Hazel Sinnett is a lady who wants to be a surgeon more than she wants to marry. Jack Currer is a resurrection man who's just trying to survive in a city where it's too easy to die. When the two of them have a chance encounter outside the Edinburgh Anatomist's Society, Hazel thinks nothing of it at first. But after she gets kicked out of renowned surgeon Dr. Beecham's lectures for being the wrong gender, she realizes that her new acquaintance might be more helpful than she first thought. Because Hazel has made a deal with Dr. Beecham: if she can pass the medical examination on her own, Beecham will allow her to continue her medical career. Without official lessons, though, Hazel will need more than just her books;she'll need corpses to study. Lucky that she's made the acquaintance of someone who digs them up for a living. But Jack has his own problems: strange men have been seen skulking around cemeteries, his friends are disappearing off the streets, and the dreaded Roman Fever, which wiped out thousands a few years ago, is back with a vengeance. Nobody important cares;until Hazel. Now, Hazel and Jack must work together to uncover the secrets buried not just in unmarked graves, but in the very heart of Edinburgh society.

Some literary historians believe that Dracula's Guest is an excerpt excised from the original manuscript of Bram Stoker's masterpiece Dracula by an overzealous editor. This short novel recounts the travels of an unnamed Englishman who crosses paths with a foreboding wolf-like creature on his way to Count Dracula's castle. The story is currently being developed into a television series that is slated to air on the CW network in 2010. A must-read for lovers of vampire lit. This edition also includes these short stories: The Judge's House, The Squaw, The Secret of the Growing Gold, The Gypsy Prophecy, The Coming of Abel Behenna, The Burial of the Rats, A Dream of Red Hands and Crooken Sands.

What if you lost the thing that made you who you are? Lexi has always been stunning. Her butter-colored hair and perfect features have helped her attract friends, a boyfriend, and the attention of a modeling scout. But everything changes the night Lexi's face goes through a windshield. Now she's not sure what's worse: the scars she'll have to live with forever, or what she saw going on between her best friend and her boyfriend right before the accident. With the help of her trombone-playing, defiantly uncool older sister and a guy at school recovering from his own recent trauma, Lexi learns she's much more than just a pretty face.
