Garun Puran is a matchless scripture of satvik category. it is said that reading or listening to the narration of garud puran not only brings happiness in the present life but also takes one closer to the divinity. therefore, all human beings, particularly Hindus, Buddhists, Jains and sikhs must acquire the deep knowledge enshrined in this scripture. the Garud Puran also aims at establishing a welfare society not only for human beings but also for all creatures and also paves the way for well being of the entire ecology and creation. It says that one must be full of action, compassion and generosity. One Should Live a controlled life while remaining Brahmin-nisht (engrossed in Divinity).

Garuda Purana is one of the most sacred Mahapuranas for the devout Hindus. It gains importance because of a single factor: It is the only Purana which gives a detailed description of the, postmortem conditions and rituals as believed by this faith. However, it is a belief as spread by the dogmatic priestly class. The fact is that the Garuda Purana contains many more details other than these. It reveals the consequences of an action in a very graphic and logical way. While most of the puranas tell one what to do, it also tells us what one should not do.
