“An utterly gripping thriller . . . and a highly sophisticated piece of literary legerdemain” from the Lambda Award–winning author of *Night Soil* (The New York Times). When the five hundred person they know dies of AIDS, Colin and Justin flee New York City. They end up in Galatia, a Kansas town founded by freed slaves in the wake of the Civil War whose population is now divided, evenly but uneasily, between African Americans descended from the town’s founders and Caucasians who buy up more of the town’s land with each passing year. But within weeks of relocating, they are implicated in a harrowing crime, and discover that they can’t outrun their own tortured history, nor that of their new home. An encompassing, visionary, many-threaded work, *Now It’s Time to Say Goodbye* is an American novel of great scope and nearly mythological intensity. This is the third volume of *Gospel Harmonies*, a series of seven stand-alone books (four have been written) that follow the character of John in various guises as he attempts to navigate the uneasy relationship between the self and the postmodern world. “[A] fascinating melodrama of sexual and racial confusion, conflict, and injustice.” —Kirkus Reviews “[Filled] with an emotional vengeance, dramatic breadth and observant ferocity that brings his every gift to fruition.” —Los Angeles Times Sunday Book Review “It is horrifying and funny and then too funny to be horrifying, or too horrifying to amuse. It is fiercely compelling and profoundly unpleasant. It is a virtuoso technical exercise that is also soul-music.” —The Boston Globe

Rosalie Alexander never fit in. Raised by adoptive parents in the small town of Arden’s Glen, her mixed Latina skin and ability to talk to the dead kept most folks away. When her radio program takes off and a small TV network offers her an opportunity she can’t refuse, visions of love are the last thing on Rosalie’s mind. But when the town’s sexy young surgeon goes and mucks things up by setting his sights on her, Rosalie’s heart is torn in ways she never expected. Dr. Zade Zampogna had everything going for him: Sexy? Check. Doctor? Check. Rich? Check. But he missed the excitement of the large hospital he transferred from in order to take care of his aging mother. When she passes unexpectedly, Zade has nothing left to keep him in the small community. Until . . . Rosalie. He knew from the moment they met that she was the one, and he would stop at nothing to win her over. Despite the charming doctor’s persistent and flirtatious attention, Rosalie doesn’t know if she can trust Zade’s intentions—or if she even wants to. When resistance crumbles, and her visions unearth secrets she’d rather leave buried, will Rosalie grab her one shot at stardom or take a chance on something a little closer to home—love?

Guarding Brecken Shaefer—a dark and dangerous rebel—is harder than it looks. Death was nothing like sixteen-year-old Alisa Callahan thought it would be. Resting on pink, fluffy clouds for eternity with her gram and best friend sounded like a dream come true. Unfortunately, eternal rewards aren't given out so freely when you take your own life. Required to pay the debt for committing suicide, Alisa must become a guardian. It sounds easy enough, but not when the boy she is forced to protect has a dangerous secret and wants absolutely nothing to do with her. Brecken Shaefer isn't any normal teenager. He has special gifts that are sure to make Alisa's afterlife miserable. When feelings develop between them, everything spins out of control. Not only must Alisa face her own demons— but to protect Brecken, she must face an evil so heinous that it threatens to destroy their souls completely. Alisa is tired of hiding from her past. When the easiest thing to do is run, can Brecken give her the strength to stay?
