Hamleti - Wikipedia

Hamlet is a tragedy by William Shakespeare, believed to have been written between 1599 and 1601. The play, set in Denmark, recounts how Prince Hamlet exacts revenge on his uncle Claudius, who has murdered Hamlet's father, the King, and then taken the throne and married Hamlet's mother. The play vividly charts the course of real and feigned madness-from overwhelming grief to seething rage-and explores themes of treachery, revenge, incest, and moral corruption.

When it was first published in the author's native country, THE PALACE OF DREAMS was immediately banned. The novel revolves around a secret ministry whose task is not just to spy on its citizens, but to collect and interpret their dreams. An entire nation's unconscious is thus tapped and meticulously laid bare in the form of images and symbols of the dreaming mind.

An essential guide to Games of Thrones seasons 1-5, profiling the noble houses of Westeros through their history, family tree, character profiles, photos, and much more. Game of Thrones: The Noble Houses of Westeros Seasons 1-5 serves as a guide to the key houses as their constant struggle for power persists and as the hierarchical structure of the kingdom evolves. The book is filled with essential information including each house's sigil, history, home, family tree, character profiles, and is fully illustrated with series photography throughout.

Hamleti - Wikipedia

Gjorg, a young Albanian mountaineer who has fulfilled his duty by killing his brother's murderer, realizes that after a thirty-day truce, he will be the next victim in a never-ending blood feud

Masterful in its simplicity, Chronicle in Stone is a touching coming-of-age story and a testament to the perseverance of the human spirit. Surrounded by the magic of beautiful women and literature, a boy must endure the deprivations of war as he suffers the hardships of growing up. His sleepy country has just thrown off centuries of tyranny, but new waves of domination inundate his city. Through the boy ' s eyes, we see the terrors of World War II as he witnesses fascist invasions, allied bombings, partisan infighting, and the many faces of human cruelty—as well as the simple pleasures of life. Evacuating to the countryside, he expects to find an ideal world full of extraordinary things, but discovers instead an archaic backwater where a severed arm becomes a talisman and deflowered girls mysteriously vanish. Woven between the chapters of the boy ' s story are tantalizing fragments of the city ' s history. As the devastation mounts, the fragments lose coherence, and we perceive firsthand how the violence of war destroys more than just buildings and bridges.
