Plot-wise, Hector and the Search for Happiness is a bit repetitive. Hector visits various countries, but what he does there doesn't differ much from what he did in the last country, with one tiny exception that helps to speed up the story. What I really can't stand is the writing style. The novel is written like a children's book.

Hector's search for happiness includes traveling around the world, sleeping with women while cheating on his girlfriend and making it okay by saying it is "what people in love do", making a list of pretty basic things that make a person happy, turning people into clichés and kind of racist comments, and all of this in a childlike almost too simple language.

squirrel\_burst 18 November 2014. "Hector and the Search for Happiness" is a warm little comedy/drama that isn't necessarily insightful on what it takes to make people happy, but it will lift up your spirits nonetheless. Hector (Simon Pegg) is a, well, there's no other word for it, boring psychiatrist.

soul is entertaining, empowering, and smile-inducing—as winning in its optimism as it is wise in its simplicity.

The delightful third book in the multimillion-copy internationally bestselling series *Being up against the clock* was a real problem for so many people, thought Hector. What could he possibly do to help them? First he tackled happiness. Then he took on love. And now Hector, our endearing young French psychiatrist, confronts the persistent march of time. His patients lament that there is not enough time in the day. Or they feel that life is passing them by. And in one case, a young boy turns the problem on its head: He's

impatient to grow up! Hector himself is increasingly aware of time: He doesn't feel quite so young anymore, and the clock is ticking on his relationship with his beloved Clara. So as time flies, so does our wise and winsome hero in his latest adventure, traveling around the world to understand the past, the future, and how best to enjoy the present.

The irresistible second installment in the beloved series that has sold millions of copies worldwide. Since his first captivating adventure in Hector and the Search for Happiness, Hector the young French psychiatrist has continued to explore the mysteries of the human soul. Having found that love seems

expects from a concierge at a bourgeois building in an upscale neighborhood. But Renée has a secret: She furtively, ferociously devours art, philosophy, music, and Japanese culture. With biting humor, she scrutinizes the lives of the tenants—her inferiors in every way except that of material wealth. Paloma is a twelve-year-old who lives on the fifth floor. Talented and precocious, she's come to terms with life's seeming futility and decided to end her own on her thirteenth birthday. Until then, she will continue hiding her extraordinary intelligence behind a mask of mediocrity, acting the part of an average pre-teen high on pop culture, a good but not outstanding student, an obedient if obstinate daughter.
