Helmut Newton
Helmut Newton (born Helmut Neustädter; 31 October 1920 – 23 January 2004) was a German-Australian photographer. He was a "prolific, widely imitated fashion photographer whose provocative, erotically charged black-and-white photos were a mainstay of Vogue and other publications."

Helmut Newton - Wikipedia

Biography Dubbed the "King of Kink", influential fashion photographer Helmut Newton made his name shooting models in striking, provocative black-and-white photographs for Vogue. "If a photographer says he is not a voyeur, he is an idiot," he once said.

Helmut Newton was a German high-fashion photographer whose subversive approach to subject matter brought an edge to his editorial spreads. View Helmut Newton's 3.035 artworks on artnet. Find an in-depth biography, exhibitions, original artworks for sale, the latest news, and sold auction prices.

Helmut Newton | artnet

Newton — originally called Helmut Neustädter — grew up in Berlin, the son of a Jewish factory owner, and developed an interest in photography from the age of 12. He'd already worked for the pioneering photographer Yva (real name Neuländer-Simon) as a teenager when he and his family were forced to flee the Nazi regime. Newton's parents went to Argentina, while Newton ended up in ...

Helmut Newton

Helmut Newton

Fashion, editorial, and personal photographs meet in this extensive Helmut Newton portfolio, including some of his most striking shots from the '60s through to his golden heyday. From shadowy streets to hotel boudoir, it's a showcase of Newton's suggestive storytelling and unflinching eye for erotic impact.

Newton's collection of portraits from the worlds of film, fashion, politics and culture can be considered a pantheon of VIP's. His brilliant staged creations celebrate the attractiveness and prominence of his models as well as their vanity and imperfections.

Présente une sélection de 350 photographies d'Helmut Newton : de ses dérouterants clichés de mode à ses portraits plus récents de célébrités.

Helmut Newton

Helmut Newton

Instant Newton: A collection of Helmut Newton's test Polaroids Polaroids occupy a special place in the hearts of many photo enthusiasts who remember a time when "instant photography" meant one-of-a-kind prints that developed within minutes of clicking the shutter. What was once a crucial tool for photographers to test their shots before shooting on film has now become obsolete in the face of digital photography. Luckily for us, legendary photographer Helmut Newton saved his test Polaroids, allowing a privileged and rare chance to see the tests from a selection of his greatest shoots over a period of decades, including many from the TASCHEN titles SUMO, A Gun for Hire, and Work. Selected by his widow, June Newton, from over 300 photos featured at the 2011 exhibition "Helmut Newton Polaroids" at the Museum ♥ Fotografie in Berlin, this collection captures the magic of Helmut Newton photo shoots as only Polaroids can. Text in English, French, and German

Fotografisk billedværk med kvinden i centrum i modeverdenen i Paris, Milano og Rom

This book gets its name from 60 unusually dark and cryptic photographs. When Newton opened his "Archives of the Night" in the 90's, gloomy images emerged like flocks of bats. His famous "Domestic Nudes" appeared in pairs and tableaux together with sinister landscapes. Palace architecture was displayed next to morbid vanitas paintings as were bodies cut open from an anatomical museum of wax figures, placed on show alongside a portrait of a Dracula star putting on his make-up. With the Archives, Newton, who decided on the placement of these works himself, showed us his dark side. But at the same time, he was amusing himself with grey areas - also typical for Newton. The juxtaposition of seemingly disparate motifs created new and enigmatic relationships that oscillate between satire and poetry, brutality and gentleness, irony and pathos.

Un tributo a uno dei fotografi più influenti, intriganti e controversi del XX secolo. Il SUMO è stato un libro titanico sotto tutti gli aspetti: ha infranto ogni record quanto a peso, dimensioni e valore di mercato Helmut Newton (1920-2004) ha sempre dimostrato un sano disprezzo per le soluzioni facili o prevedibili. Il SUMO - un'audace avventura editoriale senza precedenti - era un progetto irresistibile. L'idea di una raccolta spettacolare di immagini, un libro con le proporzioni di un'esposizione privata, riprodotta su pagine di dimensioni eccezionali e con standard di stampa all'avanguardia, è nata nel corso di una conversazione aperta e conoscitiva tra fotografo e editore. Con l'imponenza fisica del SUMO, che arrivava a pesare - con scatola e cellophane - 35,4 chilogrammi, Newton ha creato una pietra miliare che spiccava nettamente su qualsiasi altra cosa tentata in precedenza, sia in termini di stravaganza concettuale che di specifiche tecniche. Pubblicato in una tiratura limitata di 10.000 copie firmate e numerate, il SUMO è andato esaurito quasi subito dopo la pubblicazione e ha visto moltiplicare rapidamente il suo valore. Questo fenomeno editoriale è ora parte di importanti collezioni in tutto il mondo, inclusa quella del Museum of Modern Art di New York. La leggendaria copia n.1 del SUMO, autografata da oltre 100 delle celebrità fotografate al suo interno, ha stabilito anche il record del libro più costoso pubblicato nel XX secolo, battuto a un'asta a Berlino il 6 aprile 2000 per 620.000 marchi, circa 317.000 ?. Il SUMO ha stabilito nuovi parametri nel settore della monografia artistica, conquistandosi un posto di tutto rispetto nella storia dei libri di fotografia. Questa nuova edizione, attentamente rivista da June Newton, realizza un'ambizione di Helmut Newton nata alcuni anni fa. A lui avrebbe certamente fatto piacere che il SUMO - ora in un formato che permette una distribuzione più democratica, un decennio dopo la sua prima pubblicazione - raggiungesse un pubblico il più vasto possibile. In ogni caso, gli orgogliosi proprietari della nuova edizione non dovranno lottare con la loro copia del libro, che è dotata di un leggjo unico per esporlo a casa propria.

Helmut Newton has scandalized and intrigued the world for half a century with his provocative photographs and his bad boy persona. Here he presents a candid portrait of himself, revealing a lifetime of adventure and providing compelling insights into the connection between his life and work.
